An Editorial Message . . .

With this issue, the Stirling News-Argus comes
under the control of a new Editor and Publisher, Robert
L. Hulin.

As our worthy predecessor H. R. Tompkins has
so ably done, it will be our aim to make the News-Argus
a real live community paper. In order to succeed in this
we need the assistance and earnest co-operation of each
and every citizen of Stirling and district. We, therefore,
are taking this opportunity of appealing to all officers of
the various churches, fraternal societies and other organi-
zations as well as all other citizens for their loyal sup-
port. Any item of news that you may have, let us have
it; any suggestions for the benefit of Stirling, we will be
pleased to receive. Politically, The News-Argus will be
conducted as in the past, along independent lines.

We are prepared to do our best, and we sincerely
hope that our readers, correspondents and advertisers
will bear with us for a few weeks, until we find our
editorial feet, and get our second wind.

To the former owners, Mr. and Mrs. H. R. Tomp-
kins, we join their many friends in wishing them good
fortune in the years that lie ahead.

In closing we wish to thank the business men and
other citizens for their kinds words and best wishes for
our future success.

Circus Coming To Town

Youngsters of the area, as well as
many adults, will be looking forward
to Thursday, July 9th, when the
Gene Cody & Kipling Bros. Circus
will stage afternoon and evening per-
formances at the Stirling Fair
Grounds. The circus is being spon-
sored by the newly-formed Stirling
District Memorial Arena Committee
and proceeds will go towards the
local arena.

The show features 25 trained
animals and other circus acts under
the "big top." Citizens of Stirling
and district are urged to obtain their
tickets early which are available from
local merchants. Remember the date,
Thursday, July 9th.

Camp Leaders At Quin-Mo-Lac

Rev. W. G. Fletcher and Messrs.
Allan Fletcher, Elwood Bateman and
D. R. Williams are attending a Senior
Boys' Camp at Quin-Mo-Lac this
week. The former three are acting
as camp leaders and the latter is
camp director.

Engagement

Mr. and Mrs. Hilary Finner, of
Almonte, Ont., wish to announce the
engagement of their daughter, Maur-
een Elizabeth, to Mr. Ross Elmer
Cotten, son of Mr. and Mrs. Elmer
Cotten, of Harold, Ont. Marriage to
take place July 25th at St. Mary's
Church, Almonte, Ont.

week with her daughter, Mrs. W. E.
Bailey, and Mr. Bailey, Simcoe, Ont.

Dr. and Mrs. William Hipwell,
John and Scott, are spending their
vacation at Crow Lake.

Mr. and Mrs. Ed Chant, of Swift
Current, Sask., are guests of Mr. and
Mrs. Cliff Short, North St.

Miss Vera Clarke and Mr. Joseph
Clarke, of Toronto, were guests dur-
ing the week-end of Mr. and Mrs.
Oliver Stapley.

Mrs. Hugh Morton is spending a
few days this week in Toronto, visit-
ing her daughter, Mrs. J. Beatty and
Mr. Beatty.

Dr. Martin Lee left Tuesday for
Manchester, Eng., to visit his parents.
He will also attend a dental conven-
tion in England.

Allen R. Wannamaker, Church St.,
is a patient in Belleville General
Hospital as the result of a fractured
hip.

Mr. and Mrs. Don Morton, who
have been visiting his mother and
other relatives here, left Tuesday for
their home in Calgary, Alta.

Mrs. Helen Mastin, Scarborough, is
spending this week with her mother,
Mrs. G. W. Jones and family. Mrs.
Jones is still confined to bed from
her fall.

Friends of Joe Grills, of Carmel,
will regret to learn that he is a
patient in Belleville General Hospi-
tal since June 19th as the result of
running a nail in his foot.

Miss Kay McCrimmon, a former
member of the local High School
staff, was a guest of Mrs. J. S. White-
head Tuesday and renewed acquaint-
ances in town.

Mr. and Mrs. Albert Thornton, of
Scarboro, spent the week-end with
the latter's grandmother, Mrs. G. W.
Jones and Mr. and Mrs. James Pal-
mer.

Mr. and Mrs. Wm. Richmond and
family Windsor, were recent guests
of Mr. and Mrs. Donald Dean, Front
St. W. They spent the week-end on
a fishing expedition to Dorset.

C. Percival, R.R. 2, Stirling, were Mr.
and Mrs. W. Smithson, of Stittsville;
Mr. and Mrs. Hoard and son, David,
of Port Hope; Mrs. Mary Cooke, of
Stirling, and Mr. and Mrs. Morley
Marshall, Kitchener.

Mrs. Jas. Bryant and sons, Thomas
and Gerald, left Friday last for
Windsor, where the former will at-
tend the 10th annual reunion of her
graduating class from Grace Hospital,
on June 27th. They will remain in
Windsor for a week visiting relatives.

Bowlers Enjoy Pot Luck Supper

Stirling Lawn Bowlers enjoyed an-
other pot luck supper and jitney on
the local greens on Tuesday night.

Presentation
Following the dinner Mrs. Burton
Woodcock, President of the Ladies'
Bowling Club, voiced the regrets of
the bowlers at the coming departure
of Mrs. W. T. Elliott, who has been a
valued member of the Club for
many years, and Mrs. R. Burgess
made the presentation of a beauti-
ful hand bag. Mrs. Elliott voiced her
appreciation for the lovely gift and
stated she would always retain happy
memories of the many fine times en-
joyed with the local bowlers.

Later two games were played in a
mixed jitney, with each player get-
ting a prize.

At the conclusion of play refresh-
ments were served and Don Dean, a
new member, was honoured on the
occasion of his birthday anniversary.

Arena Committee Met Monday

**To Call Meeting To Dis-
cuss Possibilities of New
Arena Facilities In Stirling**

At a meeting of the Stirling Dis-
trict Memorial Arena Committee last
Monday evening several important
items were discussed. The main dis-
cussion of the meeting centred
around the question of whether pro-
posed arena improvement costs would
not be better directed towards the
construction of an entirely new
arena.

As a result of its discussion, the
committee has decided to consider
the costs and problems involved in
building a new arena as opposed to
making extensive renovations to the
old building. Arrangements are be-
ing made to have the proper govern-
ment representatives attend an arena
commission meeting to go into all the
details of both plans. It is hoped this
meeting can be arranged within the
next two weeks.

It has been found that some costs
in relation to making proper renova-
tions to the old arena would bring
the estimate up considerably. Also,
it is not presently known what gov-
ernment grants could be obtained
under either plan.

The committee felt that it would
be wisest to investigate all possi-
bilities before adopting a course of
action. The general opinion of the
meeting was that work and plans
should be aimed at providing the best
possible arena facilities to last the
longest period of time. Until all pos-
sibilities have been fully explored, it
is not likely that positive action will
commence before late July or early
August.

As soon as the arena committee
has obtained full information on the
several possible courses of action, a
final decision will be made. Once the
planning is completed, the Finance
and Building Committees will swing
into action.

Fishing in a creek north of Camp-
bellford over the week-end, Ed Peake,
brother-in-law of Allan Bird, of town,
hooked a large 5 1/2 lb. brown trout.

Intermediates Win Decisive Victory Over Bloomfield Wednesday Night

Behind batting splurges in the
third and seventh innings, Stirling
Intermediates defeated Bloomfield on
their home diamond for the first time
in the league's history. Doug Bolte
was on the mound for Stirling and
did a fine job of scattering the Bloom-
field hits and came out on the top of
a 13 to 8 score.

C. Steacy started for Bloomfield
and gave way to Demille in the third
after Foshay's towering homer to
centre.

Bob Neal led Stirling's attack with
three singles. Foshay and Bolte
each had a homer and single; John
Noble and B. Donohoe, two singles.

Faulkner and Hagerman each collect-
ed a three-bagger.

Line-Ups
Stirling — R. Smith, 3b; J. Noble,
ss; B. Donohoe, 2b; B. Neal, c; A.

Stirling Games
Next Week
On Monday night, July 6th, Bloom-
field will provide the opposition at
the Henry St. diamond and the fans
can be assured of a good game as
the visitors will go all out to avenge
their defeat.

On Wednesday, July 8th Stirling
will play at Madoc.

STIRLING
OUTLASTS MARMORA

Stirling Intermediates outlasted
their Marmora opponents Monday
night at the local diamond and came
out on the large end of a 6 to 4 tally
to register their second straight
victory.

Donny Burkitt started on the
mound for Stirling and looked good
holding Marmora to 4 runs on 6 hits

Intermediates Upset Frankford In TVL Fixture

One big inning was all it took for Stirling Intermediates to master Frankford in a Trent Valley League tilt at the local diamond on Friday night before a rather poor turnout due to other attractions.

Howard Jeffs started for Stirling and had Frankford handcuffed before he was ejected in the fifth when he was called out attempting to take second. Jeffs fanned seven.

Bolte took over and ran into some trouble in the top of the ninth when he walked four successive batters. Wannamaker and McLeod pitched for Frankford. McLeod, a younger brother of catcher Pete McLeod, gave a fine impression of himself and a surprising drop when he quelled a Stirling uprising in the seventh.

Line-Ups

Frankford — Holden, If; McGee, 3b; Watson, 1b; F. Adams, cf; P. McLeod, c; Rodgers, ss; Thompson, rf; Don Phillips, 2b; Wannamaker, p; Stirling — Noble, ss; Potts, 3b; K. TWENTY-FIVE YEARS AGO
ISSUE OF JUNE 29th, 1939

Miss Lillian Turner, B.A., has resigned from the local Public School staff after serving two years. She was presented with an overnight bag and box of stationery by members of the staff and pupils. She has accepted a position on the Marmora High School staff.

Thos. Montgomery Sr., has been awarded the Agricultural Service Diploma for "meritorious service to agriculture."

Mrs. Thos. Cranston underwent an appendectomy in Belleville Hospital this (Thursday) morning.

Mr. and Mrs. J. B. Belshaw left today for Montreal and will sail for England on Friday for a two-months' vacation in the British Isles.

Mr. and Mrs. Vernon Campbell and Beverly, Toronto; Mrs. Jennie Donohoe and Mr. and Mrs. Don Donohoe, River Valley, visited Mr. and Mrs. Reg Morgan on Sunday.

Mr. and Mrs. Richard Fleming, of Moira, spent Sunday with Mr. and Mrs. Murray Fleming.

On Wednesday vendors were offering strawberries from house to house at 4 boxes for 25c.

Ross C. Bailey Appointed Sheriff

Alderman Ross C. Bailey, of Belleville, was appointed Sheriff of Hastings County on Monday and will assume office today (Thursday). Mr. Bailey succeeds Roscoe Robson, who died on April 10th of this year.

Mr. Bailey is a son of the late Mr. and Mrs. George Bailey, of Harold.

Unit Three St. Paul's UCW

Unit No. 3 of St. Paul's United Church Women met for their regular monthly meeting at the home of Mrs. Gilbert Finkle, with 18 members present.

The meeting was opened by Assistant Leader Mrs. Don Pollock, and the devotional period was led by Mrs. Bert Jones. The Scripture lesson was read by Mrs. Lloyd Jones, from Philippians 2: 1-18. The meditation was on the theme, "Frontiers of Service." Jesus, during His brief ministry on earth, set us the example of service to others, and we, as His followers, have countless opportunities to follow this example, if we will recognize and act upon them. The offering was gathered and dedicated, and this period closed with prayer and the benediction.

The Stewardship Card, with a message from the Archibald Institute in Trinidad, was read by Mrs. Lloyd Jones.

Programme
On India

The programme was conducted by Mrs. Doug Patterson, who introduced a tape recording concerning the role of women in India today. Women take a very active part in Indian life, from high offices in government and business, down to village women who work hard in factories, construction, and on the farms. However, they are also vitally concerned with their family life, and so fulfil two roles, and apart from domestic duties they make sure the spiritual development of their children is not neglected.

Education of women is developing steadily in India, and the concept of equality, always stressed in the Christian Church teaching, is being recognized and accepted. Indian women have a natural gift for organization, developed from the first in their home life, and much credit for their high status is given to Gandhi — who urged them to take an active part in the movement of their country towards independence.

Dr. Mary Vergese told much about the treatment and rehabilitation of leprosy victims, and also about the rehabilitation of herself, as a paraplegic, and how this is leading to the establishment of centres for this work.

Indian women, although in the background, are often the real leaders of the community, and leadership is a vital necessity in a developing country.

A discussion period ended the programme.

The business session was conducted by Mrs. D. Pollock, and the meeting closed with a poem "Recommendation."

A social half hour followed and Mrs. Blake Faulkner thanked the hostess, Mrs. Gilbert Finkle, the programme and lunch committees, on behalf of all present.

Kosh Lake in the Crowe River Valley, not far from the Village of Marmora, has one hundred and fifty miles of shoreline. The Crowe River was named after Chief Crowe of the Mississauga Indians.

Mr. and Mrs. Fred Campbell Observe 50th Wedding Anniversary

Surrounded by their many friends and neighbours, Mr. and Mrs. Fred Campbell, of Foxboro R.R. 1, observed their 50th wedding anniversary on Wednesday last, June 24th.

Mr. Campbell was born "across the road" from the farm on which he and Mrs. Campbell have spent their married life. Mrs. Campbell is the former Pearl Hollinger and was born at Moira.

Active church workers until they stepped down a year or so ago "to make room for the younger people," Mr. and Mrs. Campbell are members of the Marsh Hill United Church. Mr. Campbell sang in the choir there for over 50 years, while Mrs. Campbell played the organ, sang in the choir and acted as Sunday school teacher.

Mr. Campbell has also been active in municipal affairs, serving on his township council for nine years, two of which were as reeve of the municipality. Mrs. Campbell held office in the local and district Women's Institute organizations.

They have one son, Professor Ralph Campbell, now acting as economist with the Jordanian government as member of the Ford Foundation.

Professor Campbell and his family are returning to Canada this summer. Starting in September he will lecture at Toronto University.

Wellman's UCW Guests of Bethel

Bethel United Church Women were hostess to the Wellman's ladies for the June meeting. There were thirteen members and ten visitors in attendance.

The President welcomed the guests and opened the meeting with the theme hymn and poem, "My Daily Prayer." The Scripture from II Corinthians 6: 6-10, was read in unison, followed by the hymn, "Jesus, Stand Among Us." The topic of the worship service was "Workmen for the Master."

Mrs. W. Heath read the minutes and correspondence and roll call was answered by a thought or verse on Father.

The members were reminded of the U.C.W. Convention to be held at Albert College from July 20th to 23rd.

The July meeting will be held at the home of Mrs. M. Cooney at 2 p.m. on the regular day. Roll call to be responded to by the name of a tree mentioned in the Bible.

Programme
Mrs. E. McMullen had charge of the program which was as follows: Readings by Mrs. J. McEatheron and Mrs. George Sutherland. Mrs. Fred Beckett rendered a solo, "Jesus Still Remembers."

Mrs. O. Dracup, the guest speaker for the evening, was very ably introduced by Mrs. McMullen.

Mrs. Dracup's topic was "The Christian Way of Life." She mentioned that there were the two ways to follow, namely, the wise and the foolish. But if we build a firm foundation and listen to Christ's teaching and act upon them we will be able to first follow, second learn and third serve. At the end of her address she led in a discussion on a vital question: "Why are we as adults becoming too self satisfied to change our way of life?"

Mrs. Hugh Lyons thanked the guest speaker and everyone who helped make the evening an enjoyable one.

The hostess and Mrs. McEatheron served a delicious lunch and a social time was enjoyed.

Kenneth Pillen Honoured Prior To Departure

A pleasant event took place at Wellmans' Cottage (Deer Haven), Crowe River, on Thursday evening, when fourteen boys gathered to honour Kenneth Pillen before his departure for his new home in Pine River.

The evening was spent swimming despite the chilly weather. Various games were also enjoyed.

An appropriate address was read by Brian Thomson and on behalf of the group Ray Wellman presented Ken with a handsome baseball glove. Ken expressed his deep appreciation for the lovely gifts from his friends.

Mrs. Ralph Wellman and Mrs. Gerald McFaul served hot dogs, hamburgers, and freshies. All enjoyed the eats by a rousing bonfire. All sang "For He's A Jolly Good Fellow."

Bonarlaw

Miss Geraldine McFaul will leave Malton Airport on July 5th for Calgary where she will spend her vacation. Bon voyage Jerry.

Miss Linda Wellman left on Thursday for Toronto where she will attend Ontario College of Education for the 8 week summer course.

Mrs. Grace Brown, Belleville, and Mrs. S. H. Gilford, of London, spent Thursday with Mrs. D. Wellman.

Mr. and Mrs. Dave Henderson, Johnny and Gregory, of Toronto, spent the week-end with the Wellman's.

Mr. Robert Stiles, Kingston, spent a few days last week at his home at Bonarlaw.

Miss Dianne Neal, of Marmora, has accepted a position in Toronto for the summer.

Master Johnny Henderson, of Toronto, is holidaying with the Wellman's.

Mr. and Mrs. Chas. Wellman entertained some friends at Deer Haven Saturday evening.

Mr. Elmer Hinds and Miss Marie Spearin, of Stratford, spent the week-end with relatives here.

Mr. and Mrs. Reg Seymour and Mrs. Myrtle Seymour, of Oshawa, visited Mr. and Mrs. Frank Hinds on Sunday.

Miss Sharon Rathwell spent Sunday with Miss Joan McFaul.

Mr. and Mrs. Barry Wellman and family, of Picton, have taken up residence in Frankford.

It being the last Sunday of St. Mark's Sunday School until September 6th, a picnic was held on the Church grounds where everyone enjoyed their lunch and a social time was held.

The many friends of Mr. Mark Shortt will regret to learn that he is very ill in the Belleville General Hospital.

Mrs. Charlie Nickerson, of Harold, brought her baby, Margaret Rose, home from the hospital on Saturday.

RATIONALIZATION

The two anglers were setting out on a Sunday morning fishing trip.

"Perhaps we should stay home and go to church," suggested one.

"I can't go to church anyway," argued the other. "My wife is sick in bed."

Mount Pleasant

The issue of June 25th closed an era of thirty years as correspondent for Mr. H. R. Tompkins, Editor. At this time we wish to express our deep appreciation to Mr. and Mrs. Tompkins for all their kindness throughout the years with a special "thank you" for the engraved wrist watch which we received at Christmas 1961. We shall always treasure memories of our pleasant associations.

A word of greeting to our new boss, Mr. Robert L. Hulin, and may the years ahead prove most successful. Bob is no stranger as he has been employed in the office for the past eighteen years and has been a linotype operator in charge of our copy for several years.

This is the fifth editor of the News-Argus since we began corresponding in January 1912. At that time we were attending the Williams Public School, S.S. No. 4, Mount Pleasant Rawdon and we began our writing for the late James Currie. Then followed Allen Donnell who now resides in Almonte; A. E. Dobbie, of Smiths Falls, and since 1934, H. R. Tompkins.

When the Stirling News-Argus was first published the correspondent for "Hubble Hill News" was my great grandfather Philo White. About 1885 his daughter, Mrs. Allan Wescott (my grandmother) was correspondent under the heading "Mount Pleasant." Time has flown and here we are fifty-two and a half years later paying tribute to retiring Editor Tompkins and extending best wishes to

success to Editor Hulin.

Forty-four pupils, teachers and mothers from the Allan and Williams Public Schools went by chartered bus to Toronto on June 16th. They visited the Museum, Casa Loma, Fort George, Riverdale Zoo and many other places of interest.

Mrs. Clarence Scott, her daughter Mrs. Robert Smith and baby spent a couple of days in Milton, and with Mr. and Mrs. Herb Higgs and visited the former's mother, Mrs. Thomas Andrews, who is ill in hospital.

Mr. and Mrs. Albert Hutchinson, of Woodstock, spent a few days with his brother, Mr. Frank Hutchinson and Mrs. Hutchinson, at Anson.

Mr. and Mrs. Thos. Sables spent a recent Sunday with Mr. and Mrs. Geo. Mason, Bancroft. Mrs. Mason accompanied them home and spent some time with Mrs. Ed Bateman at Spring Brook.

Mr. and Mrs. Oscar Merrick entertained Mr. and Mrs. Earl Cranston, of Harold, on Sunday.

Miss Raye David, Toronto, spent the weekend with Mr. and Mrs. Ira David and family.

Velda McAdam, Oshawa, spent the past ten days with her grandparents, Mr. and Mrs. Harry McAdam and family. Miss Betty McAdam is spending this week with Mr. and Mrs. David McAdam and daughter, in Oshawa.

Mr. Wilmet Scott, Milton, spent the weekend with his parents, Mr. and Mrs. Clarence Scott and family.

Mr. and Mrs. Percy MacMullen were supper guests Sunday at the home of Mr. and Mrs. Ormel MacMullen and family, Belleville. Ormel and David were observing their natal day.

Mrs. Mac Watson and Cheryl, of Cobourg, and Mrs. Jack Ketcheson, Trenton, were recent guests of Mr. and Mrs. Thos. Sables.

Mr. Dale Davis, Trenton, is holidaying with his uncle and aunt, Mr. and Mrs. Sid Williams, this week.

We extend birthday felicitations to a former pastor, Rev. F. G. Joblin, of Port Perry, who will observe his 86th

birthday anniversary on July 7th.

Mrs. Donald Johnson and family were recent guests of Mr. Hollinger, at Foxboro.

Mr. and Mrs. John Ferguson and children Todd and Tracy Ellen, of Picton, were week-end guests of Mr. and Mrs. Will Jeffs and family. Mrs. Ferguson and children remained for a week's holiday. On Sunday morning at the ten o'clock church service Rev. G. G. Fletcher baptized Tracy Ellen Ferguson.

On Thursday the two schools held a closing picnic at Oak Lake with teachers, pupils and mothers in attendance. At noon a pot luck dinner was served. Mrs. Joyce Parr and Mrs. Grace L. Morton have completed another year as teachers in the schools.

Mr. and Mrs. Thornton Waters and children, of Hastings, visited Mr. and Mrs. William McAdam and family on Sunday.

A large number of adults and children from this area enjoyed a trip by rail from Belleville to Anson and return, during the past week. Many people from the surrounding area came to Anson to view the special steam train.

Mr. and Mrs. John Holmes received word of the death of their brother-in-law Frank Fitzgerald, of Carrying Place.

Keith McConnell, youngest son of Mr. and Mrs. Norman McConnell, had the misfortune to fracture his left wrist on Sunday when he fell at his home.

Rylstone

Word was received here on Tuesday of the death of Earl E. Spencer, of Havelock, only son of the late Ernest Spencer and Emma Sutherland, in Sunnybrook Hospital, Toronto, on Monday. He was a veteran of World War II and had been in poor health ever since his return home, spending the greater part of his time in the Sanitarium at Gravenhurst and later at the Veterans' Hospital at Sunnybrook, Toronto.

Earl lived with his grandparents, Mr. and Mrs. James Sutherland, on the 9th Line here for several years,

coming here at the age of 7 years after his mother's death. He was born on the 12th Concession of Hawdon, moving to Havelock with his parents while still an infant.

He lived for some years at Norwood where he returned from overseas. He was married to Lillian Leeper, of Norwood, who survives, along with three sons, Merle, of Havelock, and Bob and Ernie, of Toronto. An only sister (Gerta), Mrs. Douglas Brennan, of Havelock, and a niece, Mrs. Jim McMillan, also survive.

His funeral was held on Thursday at the Presbyterian Church in Norwood, with his army padre conducting the service in the church and at the graveside in Norwood Cemetery.

Relatives attending from here were Mr. and Mrs. Wilfred Spencer, Mr. and Mrs. Ellis Jones and Mr. and Mrs. Jack Spencer; also Mr. and Mrs. Harold Spencer and Mrs. Flossie Scott, of Campbellford.

Mrs. Cora Reid and pupils at the Union School and their parents held their annual school ending picnic at Crowe River Bridge on Wednesday. After enjoying a picnic dinner together the young folks enjoyed a dip in the river. Congratulations are due to all the pupils who were successful in their examinations. Special congratulations to the three High School entrance pupils, Linda Wright, Tommie Trumble and Dennis Finch.

On Friday Mrs. Don Wood and her pupils at the 9th Line School enjoyed a hot dog barbecue and picnic in the school grounds, topped off with ice cream cones. Misses Lois and Sheila Clarke, of Seymour West, sisters of Mrs. Wood, were visitors for the day. The afternoon was spent playing ball and other games. Congratulations to Margaret Meiklejohn, the only High School entrance pupil at the 9th Line School this year. Congratulations are also due to all the other students who successfully passed their final exams.

We are glad to report all our High School students successful.

Mr. Mark Shortt was rushed to the Belleville Hospital on Wednesday night of last week where he has been a patient ever since. We are all pleased to report some improvement in his condition.

On Sunday afternoon the joint congregation of Spring Brook, Rylstone and Stanwood met for an open air service at Crowe River Bridge. There was a large crowd from all the churches as well as some other folks from neighbouring churches. Rev. P. J. Hommersen, B.A., B.D., of Stirling, was present for the induction and introduction of Mr. Gordon Apse, the new pastor. Rev. Pillen delivered a splendid sermon and music for the hymns was supplied by Mrs. Carleton Rowe on a portable organ. Many stayed for a picnic supper with Mr. Pillen and his family.

Denton Meiklejohn and his pupils and their parents from Wellman's Corners, enjoyed a year's end picnic at Crowe River Bridge on Thursday. After lunch an address was read and the pupils presented their teacher with a pair of adjustable desk lamps. Lyle Couch, the new teacher at Wellman's Corners, spent Wednesday with Denton and the pupils. Denton will be teaching in Spring Brook next term. He leaves this week for Udney where he will commute to Orillia each day for a summer course.

Mr. and Mrs. Murney Bateman and family called on Mr. and Mrs. Wes Finch and baby on Sunday afternoon. Mr. and Mrs. Jim Smith, Rexdale, spent the week-end with Mrs. Smith's sister and husband, Mr. and Mrs. Wilfred Spencer and family.

Denton Meiklejohn and his mother, Mrs. Murray Meiklejohn, attended the Robertson — Moreland wedding in the Presbyterian Church at Gananoque on Saturday.

Mrs. Stella Gibson and Mrs. Ralph Heath called on Mrs. Minnie Morton and Mrs. Fred Petherick on Thursday afternoon.

Mr. and Mrs. Fred Petherick visited their son, Roy, at the Private Patients Pavilion, Toronto General Hospital on Sunday. Roy underwent spinal surgery there on Monday last. All his friends wish him a quick and complete recovery.

Rylstone United Church Women will meet at the home of Mrs. Ray Stewart for the July meeting on Wednesday afternoon, July 8th. The girls of the Church will supply the programme. Mrs. Bob Spencer will conduct the Bible study. The key-word will be "Creation."

while walking two. Jeffs took over in the seventh and stopped Marmora cold, not giving up a hit while fanning one and walking none.

Maloney started for Marmora, giving way to Joey Barrons in the sixth when Stirling exploded for 5 runs. Maloney was nicked for 5 runs on 7 hits while fanning four and issuing one pass. Barrons gave up 3 hits while his mates committed three errors. He whiffed seven, four in one inning when Brooks dropped three third strikes and two runners reached first.

Marmora got one run in the third when Killian walked with two out, stole second and rode home on Mantle's double. Marmora got one more in the fourth with Fraser's double and J. Shannon getting on by a Stirling miscue and Fraser scoring. Burkitt settled down and retired them in order. Foshay made a fantastic catch on D. Shannon to pull the locals out of trouble in the fifth.

Stirling exploded for five runs in the sixth when Noble was safe when J. Shannon dropped his fly ball. Donohoe was safe on Mahoney's error. Faulkner then laced a double to centre, scoring Noble. Foshay then rapped a double to deep left centre, scoring Donohoe and Faulkner. Hagerman tied into a Mahoney

LEGION NOTES

By the time this edition is printed the new acoustic tile ceiling in the Legion Hall should be completely installed. Branch members have responded faithfully to the call for help in this project. As a result the job has been completed in less than a month. The work has gone ahead smoothly and we feel sure every member will agree that our building is rapidly becoming one of the finest Legion buildings in Ontario.

One more major task lies ahead. It has been decided to continue the Wednesday evening work sessions in order to completely finish the interior walls of the hall. This work will also call for some decided changes in the lighting system of the Legion Hall.

It is expected that the remaining paper of all kinds.

work can be completed within 4 or 5 weeks, provided we continue to have the support of our membership on Wednesday evenings. The only major item you need to bring along is a trusty hammer and lots of energy. Work gets under way at 7 p.m. or as soon as possible after 7. Your help will make this project a real success.

The Branch is grateful for the support of so many active members. During the past four years several major improvements and changes have been made during the summer recess period. This could not have been achieved without a spirit of comradeship and co-operation. It is good proof of what can be accomplished if veterans will stick together.

The second changes now taking place at our hall indicate a healthy spirit within the branch. Instead of the usual 5 or 6 faithful workers, we are getting three and four times that number. Let's hope this continues. With this type of assistance the programme for the summer months can't help but be a great success. We'll see you at the hall next Wednesday evening.

GARNISHES

The successful hostess is admired for her gracious hospitality and for her culinary skill. Whether she serves an elaborate dinner or a simple tea, the aesthetic quality of her food arrangements are always subtle and memorable. One of her secrets is her clever use of garnishes.

Many people think that only chefs can master the art of garnishing. Whereas, edible garnishes are really easy to make and require only a few moments to prepare. Your own imagination and artistic flare for arrangement will make your garnishes outstanding accomplishments, with very little effort.

Many fruits and vegetables make attractive garnishes. Among the list are apples, carrots, cauliflower, celery, cucumbers, grapes, onions, peppers, radishes, and turnips. Use fresh, colorful, well-shaped fruits and vegetables. Only the very best will do for garnishes.

A point to keep in mind is that many garnishes require chilling in ice water in order to crisp them so that they will open out into the shapes you want. Keep them in ice water only long enough to crisp; then place them in a plastic bag or covered container and refrigerate. Long soaking draws out the flavor and they become waterlogged and unappetizing.

Most of you have made radish roses or carrot sticks. But have you tried to make carrot bundles or radish chrysanthemums?

To make carrot bundles, cut carrots in shoestring sticks. Chill in ice water. Draw two or three sticks through a carrot ring or pitted olive. Carrot rings are simply 1 inch round slices of carrot with the centres removed. Carrot bundles are easy to make and very effective on a relish tray, topping a side salad or surrounding a shimmering salad mold.

Radish chrysanthemums when chilled in ice water "blossom out" into a realistic resemblance of a chrysanthemum. To prepare, choose well-shaped slightly elongated radishes. Remove the root ends keeping three or four small leaves on the stem for added color. Make five or six parallel cuts through the radish from tip down almost to stem, then make similar cuts at right angles to them. Chill in ice water to crisp.

These garnishes and many others are described in the new booklet "Salads," prepared by the Consumer Section, Canada Department of Agriculture. Single copies may be obtained free from the Information Division, Canada Department of Agriculture, Ottawa.

Canada's wheat crop in 1963 was a record 723 million bushels.

Madoc Junction

Pupils of Eggleton Public School enjoyed a pleasant and educational day last Tuesday. Their teacher, Mrs. Godden, Mrs. Glenn Clarke, Mrs. Maurice Clancy and Mrs. William McMullen provided the transportation for the motor trip to the Bata Shoe Factory at Batawa and the pulp and paper plant at Trenton. They were taken on a guided tour of each plant. They then journeyed to Belleville where they boarded the special train to Anson Junction and return.

Donald Matthews, of Belleville, is spending part of his holidays with his aunt and uncle, Mr. and Mrs. Murney Kirkey.

The Grade VIII pupils, Wayne McMullen, Lloyd Clancy and Gerald Stapley from Eggleton School, S.S. No. 24, Sidney, registered at the Stirling-Rawdon District High School on Wednesday.

Mr. and Mrs. Charles Bridges, Bruce and Eric, of Oshawa, were visitors during the week-end at the home of the former's parents, Mr. and Mrs. Carl Bridges.

Mr. and Mrs. Bruce Stapley and Lin, Mrs. W. Harlow, Mr. and Mrs. Forde Stapley, Mrs. F. Smith, and Mr. and Mrs. C. Fitchett represented the Eggleton Appointment at the farewell party at Moira United Church on Thursday night, given to honour the pastor, Mr. George Dyson before his departure.

A few from here attended Divine Worship at St. John's Anglican Church, Stirling, for L.O.L. No. 110, L.O.B.A. No. 655 and Juvenile Orange Lodge No. 376 last Sunday morning.

Mr. and Mrs. J. Chambers, Stirling, were callers on Sunday at the home of Mr. and Mrs. Carl Bridges.

A fairly good number attended the service at Eggleton United Church on Sunday afternoon when Mr. Dyson preached his farewell sermon. At the close Mr. Dyson was asked to take the chair placed for him at the front of the Church. Mrs. W. Harlow, President of the Eggleton United Church Women, read an appropriate poem and Mrs. C. Fitchett on behalf of the members of Eggleton U.C.W., made the presentation of a parting gift. Mr. Dyson expressed his thanks and said he would always remember his friends at Eggleton.

Mr. Dyson is leaving on Monday for Shila, Manitoba, to make his home with his daughter and husband. Major and Mrs. T. Bolte and two granddaughters.

The next meeting of Eggleton U.C.W. is being held on Thursday afternoon, July 9th at the Church. The programme is being prepared by Mrs. Raymond Chambers.

Miss Marilyn Reid was a guest at the Hall — Fisher wedding which was solemnized at Emmanuel Baptist Church, Belleville, last Saturday.

Miss Linda Prest is holidaying this week at the home of her sister, Mrs. Harvey Goodfellow, Mr. Goodfellow and daughters, of Roslin.

Congratulations to all our students attending Moira Secondary School in Belleville and Stirling-Rawdon District High School in Stirling who were successful in passing their examinations; also to Grant Reid who passed with honours his first year at the technical course held at Quinte Secondary School in Belleville.

Miss Sandra Chambers, of Toronto, spent the week-end at her home here. Mrs. Milton Reid, Miss Marilyn Reid were guests on Sunday at the

home of Mr. and Mrs. Burton Coulter, of Tweed.

Mr. Carl Reid, Great Whale River, spent Saturday night at the home of his parents.

New Out-Patient Benefits From Ont. Hospital Insurance

Beginning July 1, residents of Ontario who are covered by Ontario Hospital Insurance will be entitled to five additional out-patient benefits. These benefits were predicted by Honourable James N. Allan, Provincial Treasurer, when he announced the increase in hospital insurance premiums in his budget speech on February 12th this year. The new premiums, which become payable with the regular advance payment to cover the benefit month of October, are \$3.25 monthly for a single person and \$6.50 monthly for a family.

"This is the second extension of out-patient benefits since the plan began on January 1st, 1959," stated Dr. J. B. Neilson, Chairman of the Ontario Hospital Services Commission in making this announcement. "The benefits are designed," he went on, "to cover a number of services which are provided mainly by hospitals and which, if not insured, could create considerable expense for the person who must make repeated visits to the hospital out-patient department as part of a planned course of treatment."

Under the new out-patient benefits the Ontario Hospital Services Commission will now cover hospital visits to include treatment of a fracture which was originally treated on an in-patient basis. Previously, the plan covered follow-up treatment of fractures only if the patient was originally treated on an out-patient basis within 24 hours of an accident and not admitted to hospital over-night.

Another new benefit is coverage for radiotherapy hospital services for the treatment of cancer on an out-patient basis in clinics of the Ontario Cancer Treatment and Research Foundation and hospitals approved by the Commission for these services. This benefit covers only treatment, not diagnostic X-ray or laboratory services provided before, during or after out-patient treatment. Neither does it cover radiotherapy services for non-cancerous conditions.

Physiotherapy and occupational therapy will be covered on an out-patient basis in hospitals approved by the Commission when these services prescribed by a licensed physician as a medically-necessary course of treatment. This does not mean that the plan will cover physiotherapy simply to relieve minor aches and pains. There must be a medical condition under treatment which, in the attending physician's opinion, requires a number of physiotherapy or occupational therapy treatments. For the immediate future, physiotherapy will be a benefit only when the treatments are received in hospitals approved by the Commission to provide these services. Consideration, however, is being given to the approval of other physiotherapy facilities at a later date, and if and when approved, the Commission plans to make regular physiotherapy benefits available in these facilities.

Also, as a new out-patient benefit, the Commission will pay for speech therapy where this is available in approved hospitals and provided by

qualified speech therapists for a treatment of an organic illness or injury.

Originally, the only out-patient service covered by the plan was emergency hospital service on the first visit to hospital within 24 hours of an accident. Two years ago, without any additional premium charge, the Commission began paying for follow-up treatment of fractures which were originally treated under the emergency out-patient provision plus benefits for procedures performed on an out-patient basis which normally would have required the patient to be admitted to hospital.

A SONG FOR YOU

Jose Poneira is the informal host of the musical programme "A Song For You" seen on CBC television each Saturday. Jose, who began his broadcasting career as a boy entertainer in La Paz, Bolivia, plays piano and sings popular songs in his own easy, relaxed style. Each week the programme introduces a guest singer to help out with what he describes as "unpretentious living-room entertainment." A Song For You is a CBC Winnipeg production.

Hastings 4-H Hay Pasture Club

The Hastings 4-H Hay Pasture Club held its monthly meeting on June 24th at the home of Mr. Stan Thompson.

The members were able to study the results of good management, both on mature crops and new seeding. A comparison was made on the results of direct seeding and seeding with a cover crop of oats, spaced with both single and double rows. In addition the results of spraying for weeds were demonstrated. A new sprayer was examined and the fine details explained.

Through the courtesy of Mr. Hagerman, the studies included a number of plots on his farm.

The new seedlings on both farms looked impressive and some of the mature crops that were viewed showed remarkably heavy yields of high quality hay.

Later in the evening the members were served refreshments at the home of Mr. and Mrs. Thompson. Mr. Lyall MacLachlan led a discussion on what the members had viewed. All together a most instructive and entertaining evening was spent.

Wm. Jeffs, Stirling Highest Grade "A" Hogs For May

It has been announced by the Hastings County Hog Producers' Association, that William Jeffs, Stirling R.R. 3, had the highest score for Grade "A" hog carcasses shipped during the month of May. Two other farmers also had 100 percent grade "A" carcasses, however, they shipped fewer hogs during the month. The purpose of the competition is to stimulate interest in and the development of a better grade of hogs by the producers of Hastings and to recognize the producers marketing the largest percentage of Grade "A" hog carcasses during the period January 1st to December 31st, 1964.

The competition is open to any hog producer in Hastings County. And those wishing to enter the competition should forward their year's receipts up to the present to Ontario Department of Agriculture, at Stirling. There will be 3 classes, one for those marketing ten to twenty-five hog carcasses during the year, one for those marketing twenty-five to seventy-five hog carcasses, and the third class for the producers marketing over seventy-five hog carcasses during the current year. The standing for those who shipped hogs during the month of May is:

Wm. Jeffs, Stirling R.R. 3, shipped 17, grade "A's" 17, 100%; W. J. Tanner, Harold R.R. 2, shipped 7, Grade

"A's" 7, 100%; Roy Sills, Halloway, shipped 6, Grade "A's" 6, 100%; Dennis Chapman, Madoc R.R. 3, shipped 8, Grade "A's" 17, 94.4%; Donald Vardy, Stirling R.R. 4, shipped 43, Grade "A's" 39, 90.7%; Harold Harris, Madoc R.R. 2, shipped 11, Grade "A's" 9, 81.8%; Mel Blackburn, Eldorado, shipped 6, Grade "A's" 3, 50%.

These hog producers are to be commended on their shipments and on the quality of their hog carcasses, and it is hoped that the other hog producers will forward their grading slips to the Department.

THE BIBLE TODAY

"Faith at the Fair" is an article in a recent publication, entitled Faith at Work, indicating the religious aspects of the current New York World's Fair.

Nine pavilions representing different religious groups offer a choice of solitude, inspiration and information. Perhaps the greatest emphasis in religion any such fair has had, the New York Fair, now open, will run until October, 1965.

The theme of the Protestant centre is "Jesus Christ, the Light of the World." The Vatican Pavilion has Michelangelo's Pieta, the American-Israel Pavilion pictures the history of the Jewish people in the Holy Land. The Mormons, Christian Science and "Sermons from Science" have displays in separate pavilions.

The Billy Graham evangelistic association has prepared a special motion picture to be seen in another pavilion.

Finally the Pavilion of 2,000 Tribes shows the work of the Wycliffe Bible Translators, in the efforts to reduce all the languages of the world to writing.

Scriptures in the languages of 81 countries are available during Fair

time at the American Bible Society's Headquarters in New York City. A special exhibit entitled "God's Word For A New Age" is set up in the Bible House, showing Scriptures in many languages and rare historic editions.

Rev. and Mrs. Pillen Given Farewell Party

On Friday night the congregations of Stanwood and Rylstone Churches met with the Spring Brook congregation in their church to spend an evening with their pastor, Rev. Harold Pillen, Mrs. Pillen, Darlene, Kenneth and Sandra before their departure for their new charge at Pine River on Lake Huron.

There was a large crowd from all three churches. Mr. Hiram Mumby, Spring Brook, was the chairman and

a short programme was given including readings by Mrs. Clayton Turkitt and Mrs. Murray Melkejohn. Musical numbers were contributed by Mr. and Mrs. Bob Spencer and daughters, Lynne and Sue, and by Bob Lisle and Bob Spencer and Jimmie Finch. The Spring Brook Junior Choir contributed numbers.

Mr. and Mrs. Pillen were called to seats of honour and an address from the three Churches was read by Mrs. Hiram Mumby.

Rev. Pillen was presented with a 35 m.m. automatic camera and equipment by Messrs Jack Spencer and Doug Brunton.

Clayton Burkitt read an address from the Orange Lodge in Spring Brook and Rev. Pillen was presented with a desk pen set.

Mrs. George Williams also read an address to Mrs. Pillen and she was presented with an aluminum tray from the United Church Women.

Short speeches were also given by Wilfred Spencer and Doug Brunton.

Both Rev. and Mrs. Pillen made suitable replies and assured all that they had enjoyed their sojourn on the Spring Brook Pastoral Charge.

Lunch was served at the close of the programme.

ONTARIO

NEW HOSPITAL INSURANCE PREMIUMS

More people in Ontario receive better and more costly hospital care than ever before

On the average day some 56,000 patients — enough people to populate a city — are under care in hospitals of all types in Ontario. These patients are receiving skilled treatment which has never been equalled in the history of the province. Furthermore, the cost of medically-necessary hospital care is no longer a problem for over 98% of Ontario's residents who participate in their government-sponsored hospital plan . . . the plan that ended hospital-expense worries in Ontario.

BETTER CARE—HIGHER COST

For many years the cost of hospital care has been going up steadily, not only in Ontario but also in the rest of Canada and in other countries. Though costly, the advanced scientific facilities and special skills available in hospitals are essential in treating the sick. The quality of necessary hospital care cannot be sacrificed. Since 1959 the average cost to the Commission for one day of patient care has increased by approximately 50%.

WHY COSTS CONTINUE TO RISE

PRICES ARE UP

Hospitals, like everyone else, are paying more for salaries and wages, food, drugs, equipment, supplies and services.

About 70¢ of every \$1.00 in hospital costs is used to pay hospital employees. Hospitals, today, have more and better-paid employees to serve more patients and provide essential round-the-clock care.

HOSPITALS ARE USED MORE

Greater use is being made of hospitals as medical science now provides many new, costly types of treatment which require admission to hospital. These procedures require more skilled staff, more facilities, drugs and other expensive supplies. Furthermore, there is no longer a financial barrier

to necessary care, so more people obtain the care they need without being burdened by the cost. Also, there are increasing numbers of elderly citizens many of whom require prolonged treatment in hospital.

MORE BEDS AVAILABLE

In 1947, Ontario had only 17,473 active treatment, chronic and convalescent hospital beds; in 1958 there were 31,000. Today there are over 40,000 such beds available to insured persons and, by 1970, it is anticipated there will be 47,000. More beds mean more patients, more cost. In addition, insured patients are entitled to care, without charge, in provincial mental hospitals (23,000 beds) and tuberculosis sanatoria (1,825 beds).

ADDITIONAL OUT-PATIENT SERVICES

Beginning July 1st, 1964 the following services will be included as out-patient benefits:

- 1) Hospital visits to complete treatment of fractures which were originally treated on an in-patient basis. (Previously, this benefit was only for fractures originally treated on an out-patient basis within 24 hours of an accident.)
- 2) Radiotherapy hospital services for the treatment of cancer in clinics of the Ontario Cancer Foundation and hospitals approved by the Commission for these services.
- 3) When prescribed by a licensed physician as a medically-necessary course of treatment and provided by hospitals approved by the Commission:
 - a) Use of physiotherapy and occupational therapy facilities where available. *Note: Consideration is being given to approval of other physiotherapy facilities at an early date. A further announcement will be made.*
 - b) Speech therapy where available and provided by qualified therapists for the treatment of an organic illness or injury.

Note: The above summary is for your convenience only. For detailed information please refer to the provisions of the Provincial and Federal Acts and Regulations respecting these matters.

NEW PREMIUM RATES (Standard Ward Care)

Because of continued rising costs, the Provincial Government has announced increased premium rates for Ontario Hospital Insurance beginning with the regular advance payment to cover the benefit month of October, 1964. In 1961, 1962 and 1963 the Provincial Government prevented, by subsidy, a rise in premiums. In those years the Government contributed \$125.8 million to the plan from general revenues. It

also paid an additional \$157.8 million for the care of patients in mental hospitals and tuberculosis sanatoria.

Even with the higher premiums the Provincial Government must continue to subsidize the cost of hospital care, and the Federal Government's contributions to the plan will also increase as the cost rises. (The cost of the plan does not include the Government grants which are paid to assist communities build their hospitals).

SUN LIFE ASSURANCE COMPANY OF CANADA

"The Road Runners" Car Club Formed By Local Youths

A car club, which was started by fifteen local young drivers, was formed on Monday evening, June 15th. The club will hold its meetings on the property of Norm Cooney, Rawdon Township, in a building which was given to the club for their own use. The building is old and needs to be reconstructed. This will be done by the members in their spare time and material will be bought out of club funds.

Club members wish to emphasize that this is not a "Hot Rod Club," but has been started to promote safe and intelligent driving for all of its members. It is hoped by this time that citizens may have noticed a slight difference around town and will continue to do so.

The members have had many discussions about the name of the club and feel that no matter what the name, the village will judge it by what the club does and not by the name itself.

To give the public an idea of what is expected of each member, here are a few of the club rules:

1. All members are expected to obey all traffic laws.
2. Any member seen or caught breaking these laws will be charged 50c to a limit of three times and then brought before the club members and given a chance to defend himself.
3. No drinking on the premises or thereabouts of the club. If caught the person or persons will be expelled from the club.
4. All members are expected to keep their cars in A-1 safe driving condition.

5. All members to help anyone in trouble or distress, and to give them a courtesy card which will be mailed back to the club, along with any remarks.

There are more rules but these are the most important.

It is hoped that when the project is completed to have an "open house," to which everyone will be welcome. In order to complete the building quicker it is hoped to sell honorary membership cards at a small fee. These cards will enable the holder to attend any club meeting and voice his opinions.

The club has had a hard time trying to decide upon a name. After many decisions they finally decided that "The Road Runners," taken from the animated cartoon of Walt Disney would be suitable. This may also be changed at a later date.

The forming of the Club is something new for Stirling and with the support of all and interest the members are confident that they can make a good showing. "We hope that you will help us in order that we can help you make Stirling better and safer."

Mrs. Robert Hough Hostess I.O.D.E.

Mrs. Robert Hough, of Halloway, was hostess to the Hon. J. R. Cooke Chapter, I.O.D.E., for the June meeting on Thursday last. The Regent, Mrs. W. J. Morton, presided and opened the meeting with the Prayer of the

STIRLING HORTICULTURAL SOCIETY

Lawns should be kept well watered during dry weather and should not be cut as short as during periods when growth is more vigorous. Bare spots in lawn may be covered quickly by sowing a mixture of two-thirds perennial ryegrass and one-third Kentucky blue grass just before a rain.

Order.

Routine business was dealt with. Several visitors were present, among whom was Mrs. Donald Francis, a former member, who, with her family, recently returned from France where Corporal Francis had been posted for four years with the RCAF. As Mrs. Donald Pollock is moving from the community, Mrs. Peter Briggs offered to complete her term as Secretary of Services at Home and Abroad.

The Chapter decided to continue sponsorship of its "adopted" child, Anna Bendig, of Germany. The funds forwarded for this purpose are dispersed through the British Save the Children Fund for shoes and clothing, medical care, etc.

Mrs. Bruce Bell read a paper relating some of the historical background and political aspects which led to the Confederation of Canada in 1867. The Order is planning some project to commemorate the 100th anniversary of Confederation.

A Variety Show is planned for October in the Community Hall when a varied programme will be presented by local and district artists.

Anyone wishing to have his name on the "Birthday Calendars" may do so for 10c. Contact any member. The calendars go to print early in the fall.

Mrs. Ted Fleming, of Ivanhoe, showed films of a holiday she had spent in Bermuda. Everyone enjoyed this "pictorial vacation" and appreciated her efforts.

The hostess and her committee of Mrs. Ken Sine, Mrs. Ross Kirm and Mrs. John Langgan, served refreshments.

There will be no meetings during July and August. The September meeting will be held at the home of Mrs. Peter Briggs.

Summer Activities of the High School Teaching Staff

As the doors of the Stirling-Rawdon District High School close for the summer, the staff members go their several ways, many of them bent on self-improvement or professional development.

At Queen's University three teachers will be taking six-weeks' courses: Mrs. McKeown in English, Mr. Allcorn in mathematics, and Mr. Smith in astronomy and biology.

Mr. Hayes, the Principal for the new term, will be in London attending the Principals' Course.

Mr. Morgan is enrolled in the second portion of the College of Education Course, a seven-weeks' session.

Mr. Harris will study Spanish at Waterloo University College.

After a short visit to her parents' home in Canis, Nova Scotia, Mrs. Lyons will spend two weeks in Ottawa studying the new Grade XI Course in home economics prescribed by the Department of Education.

On Monday, June 29th Mr. Bakker and Mr. Cann began their duties as associate examiners at the Department of Education, the former read-

ing Grade XIII Zoology, the latter Grade XIII history.

Mr. Haight has left by car for Vancouver.

Mr. Farmer and family are journeying to Quebec City where their daughter Janet will remain to study French on a bursary which she won at Laval University.

Mr. Thomas will see a little of Ontario before returning to his home in Wales.

Mrs. Bailey will spend the greater part of the summer at home, but will go in August to Winnipeg, where she will attend a Triennial Conference of the Canadian Federation of University Women, a delegate from the Belleville and District Club.

Mr. Good looks forward to a quiet summer as he embarks on his retirement period.

Routine Matters on Agenda For Lengthy Meeting of Village Council

To Call Tenders For The Widening of Mill Street — Streets Are Primed

Stirling Village Council met in regular session on Monday night when routine matters were discussed at some length. Reeve B. Jones was in the chair and was supported by Councillors J. Chambers, R. Anderson, B. Glendinning and R. L. Hulin.

A communication was received from W. L. Langlois, County Engineer, relative to the removal of the curb on the south side of Mill St., from the Memorial Park east to D. Lamb's property and the subsequent widening of the street and construction of a new sidewalk.

Council decided to call for tenders for the removal of the curb and sidewalk, on motion of Anderson and Glendinning.

An application was heard from D. R. Williams for a readjustment on the taxes of his former garage, which is unoccupied. His request was granted, the lower rate being allowed on two-thirds of the current year to cover the vacancy period, plus the usual frontage tax for sewerage, on motion of Messrs. J. Chambers and B. Glendinning.

Wm. Webber addressed Council relative to an error in the assessment of the Harrington house, formerly owned by him, on Church St. The assessor was instructed to reassess the property in question.

J. V. Holt also addressed Council requesting a year's extension of an existing agreement with the Village relative to the removal of fill from Emma St. east of the Village well. His request was granted on motion of Councillors Glendinning and Hulin.

He also spoke regarding the Hastings County tourist region and informed Council of plans for publishing the 1965 brochure.

The chairman of the Streets Committee, R. Anderson, reported that plans called for the priming of parts of Henry, Elizabeth, George, St. James, Green, Nancy, Wellington, Baker and Wright Streets, also Rodgers Drive.

An elm tree on Victoria St. should be removed and the Clerk was instructed to write the Public Utilities Commission requesting them to remove it with the assistance of the town employees, on motion of Councillors Anderson and Hulin.

Frank Brookema, Village foreman, advised Council that garbage cans were required at the local parks.

A discussion ensued on a proposed extension of sewerage services along Wellington and Baker streets and the Clerk was instructed to write Hisey and Barrington for an estimate of engineer's fees for the project; on motion of Councillors Glendinning and Chambers.

A letter of thanks is to be sent to W. H. Donnan, R.R. 2, Stirling, for his work in moving the tool shed at the Stirling Cemetery at no cost to the Village.

The taxes on the Stirling Lawn Bowling Green property will be rebated on full payment of the taxes for 1964, subsequent to a motion by Councillors Hulin and Glendinning.

A request from the Stirling Legion that the flag pole at the Memorial Park be painted and a new Union Jack purchased was left in the hands of the Parks Committee.

Insurance of \$500, on the tool shed and \$500, on the contents at Stirling Cemetery, was authorized by Council.

The monthly report of Police Chief Chas. E. Hicks was presented and received on motion of Councillors Hulin and Chambers.

Bylaw No. 662 reducing the speed limit from 45 to 35 miles per hour on No. 14 Highway on the Belleville Road, from the southern limits of the Village to approximately 1,535 feet north; thence to 30 miles per hour, was given its several readings and passed.

The following accounts were passed for payment:

Intermediates Win and Lose

On Monday night on the local diamond, Bloomfield defeated Stirling 8-0, behind the six-hit pitching of Kenny DeMille. Bolte started for Stirling and gave way to Jeffs in the 4th and between them gave up nine hits, while their mates collected six errors.

Ron Weese hit the only homer of the game, in the third off Bolte. J. Noble, with a double and single, and R. Smith, with a pair of singles and hit by a pitch, led Stirling at the plate.

Win At Madoc

On Wednesday night, in Madoc, behind the brilliant pitching of Jeffs, Stirling calked up a 4-1 victory. Shaw was on the mound for the Madoc squad.

This puts Stirling, Madoc and Mar-mora in a dead heat for second place close behind Bloomfield.

Doubles Tourney On Local Greens

Inter-Club Mixed Jitney Was Held At Madoc Men's Doubles Saturday

Failure of the Ladies' trebles tournament scheduled for Friday last to fill resulted in a decision to enlist the services of a number of male bowlers to stage a doubles tourney. Three 12-end games were played with Mrs. Gordon Vince, of Belleville, and J. Doran, of town, capturing first prize with three wins and a score of 49 plus 8. In second place were Mrs. Ashley Brooks and H. R. Tompkins with two wins and a score of 37 plus 3. The third and final prize went to Mrs. J. B. Hough and Mrs. Burton Woodbeck with one win and a score of 35.

A potluck dinner was served at six o'clock.

Inter-Club Mixed Jitney At Madoc

Twelve members of Stirling Lawn Bowling Club attended an inter-club mixed jitney held on the greens of the Madoc Club on Tuesday night. The visitors were given a warm welcome by Madoc Club president, Percy Naylor, after which three short games were enjoyed. At the conclusion of play, dainty refreshments were served and each bowler was given a choice of a prize, in relation to his or her individual score.

Mrs. B. Woodbeck and Ted Barnard, of the local club, voiced thanks for a fine evening and invited the Madoc members to Stirling for a similar event next Tuesday night, July 14th.

A men's doubles tournament is planned for the local greens on Saturday next, July 11th.

VOICE OF THE PEOPLE

SO WHAT ABOUT ARTIFICIAL ICE?

Did you know that there are many villages half the size of Stirling with artificial ice and curling facilities either separate or in conjunction with skating and hockey and all community owned?

Did you know that automation means that there are many more people every year who do not take sufficient exercise to maintain proper mental and physical health?

Did you know that there is a very great lack of facilities to keep the boundless energies of our youth directed into constructive and healthy channels?

Did you know that to have artificial ice this winter, construction must start now?

Did you know that the progressive attitude of Stirling and district, which set them up as a model of community endeavor in years gone by, has practically ceased to exist?

Did you know that money invested in a community venture, such as artificial ice now, will reap many times its cost in years to come, in outside business drawn to the area, in business contacts made, in money spent here instead of elsewhere, in developing good sportsmanship and proper attitudes for future life, in drawing together the community and stimulating the re-acquaintance of neighbors.

These things will be lost. People will move away, youth go elsewhere for entertainment. Business will bypass us as a dead community. People become more indolent. Doctors become busier and mental hospitals fuller. Relief lines will be longer and jails more overcrowded; all because we lacked the foresight to provide now for the use of our spare time in a healthy way.

The people who are trying to organize these projects are very conscientious. They are a little apprehensive of spending your money.

What can you, as a citizen, do about it?

First, you can contact any member of the Canadian Legion, local council, community centre officers, hockey fans, curling fans, and express approval of their efforts.

Second, you can offer cash contributions.

Several grants can be obtained but public funds will still be needed.

Much thought has gone into this project. Investigation has shown that alterations to the present rink are too expensive to warrant proceeding with. A new artificial rink is the only answer, if possible with extra facilities for curling, but at any rate, a new arena for skating and hockey and some part time curling. Curlers are prepared to pay their

own way and hire use of ice which will constitute a guaranteed source of help to the community arena as regards upkeep and running expenses. Think of your community. Think of its future, which is your future and that of your children.

Contact the people concerned in village and township and give them your blessing.

Put Stirling and district, once again, on the map as a vigorous model of progressive community living.

Do not let this community slip into oblivion.

Entered Into Rest

JOHN WESLEY POUNDER

The funeral of John Wesley Ponder was held on Friday, July 3rd, at the Duffin Funeral Home, Stirling. The Rev. W. G. Fletcher, of Rawdon Circuit, officiated.

The bearers were Messrs. Burton Sharpe, William Jeffs, Irwin Potts, Norman McConnell, William McAdam and F. Spencer.

Interment was made in the family plot in Mount Pleasant United Church cemetery.

Deceased was born in Rawdon township in 1900, a son of the late Robert Ponder, and his wife, Annie Lloyd, of Mount Pleasant. He received his education at the Williams' public school, S.S. 4, Rawdon.

He is survived by two sisters, (Mills) Mrs. George Gazely, Marmora, and (Gertrude) Mrs. Carl Dunham, of Mount Pleasant. Another sister (Pearl) Mrs. Robert Melville predeceased him.

Sidney Jr. Farmers Take Honours At Field Day

Sidney Junior Farmers were the high club over Rawdon and Madoc at the Annual Junior Farmer Field Day which was held on Wednesday, July 1st, at the Madoc Township Public School. Individual awards for the best boy and girl athlete went to Allan Hitchon and Linda Hitchon, members of the Sidney Junior Farmer Club.

In the softball competition, which is always a highlight of the day, the Sidney Club was victorious, again this year, defeating Rawdon in a close game in the finals. The square dance competition had only one entry this year, a team of eight from Sidney Junior Farmers.

The "Miss Hastings" award which is presented annually to an outstanding Junior Farmer girl was won by Elizabeth Sager, of the Madoc Junior Farmers.

The winners of this County Field Day will represent Hastings County at the Quinte Junior Field Day to be held at Peterborough on Saturday, July 18th. From the keen competition in most events Hastings Junior should receive their share of honours at the provincial level.

Mrs. John and Miss Emma Rainie Hostess Wellman's Women's Institute

The June meeting of the Wellman's W.I. was held at the home of Mrs. John and Miss Emma Rainie with 16 ladies and 6 children present. The President opened the meeting with the Institute Ode, followed by the Lord's Prayer.

The roll call, "Bring an article of clothing used in grandmother's day", was responded to by only one member. The minutes of the last meeting were read by the secretary, approved and signed. She also read the correspondence.

Miss Emma Rainie paid to the Birthday Box and "Happy Birthday" was sung. The Peonies for Friendship jar was passed. The current events were given by Mrs. Jim Rainie. The motto, "Great is the mother who does not lose her child's heart", was well prepared and given by Mrs. Burton White.

The topic, "History of the Willow Pattern", was given by Mrs. John Carlisle.

Mrs. Craig Watson, convenor for Grandmothers' meeting, took over for the program. At the beginning of the meeting she gave each of the grandmothers a small corsage.

Mrs. Keith Clancy gave a reading, "Grandma's Dilemma". Mrs. Gerald Russett favoured with a vocal solo, "If You Know The Lord". A reading, "Blackberry", was contributed by Mrs. Jim Pollock. A piano solo, "The Serenade March", was rendered by Miss Nancy Tompkins.

The president thanked the hostess and all taking part in the meeting, also the convenor for the corsages. The collection was taken by Miss Linda Rainie. The president closed the meeting with the Institute Creed followed by all singing The Queen.

The hostess and her assistants served a delightful lunch and a social half hour was enjoyed.

Picnics Always Enjoyable

Picnics are always fun — for the family, the small fry or the junior crowd.

With so many types of products available — designed especially for the picnic, you'll find it easy to plan and prepare your meal. Insulated picnic chests keep food fresh and tasty for over 72 hours and picnic jugs or bottles keep liquid refreshments either hot or cold.

Sandwiches are easy to fix and always popular with the kids — and don't forget the pickles! A big bowl of potato chips and mustard are other picnic favourites. Especially welcome in the summertime are watermelon and lemonade. Other delicious picnic treats are wieners, hamburgers and fried chicken, along with hard-boiled eggs.

You can even prepare hot food if you wish — picnic stoves, portable grills and hibachis are easy to operate, inexpensive, and take up little room.

And if you travel by auto, wherever you're going, there's sure to be a pleasant spot along the way where you can stop to enjoy the scenery, a delicious meal and a fun-filled picnic.

The earth is not exactly spherical, it is pear-shaped.

Letter To Local Correspondents

Local correspondents are important to the successful operation of a weekly newspaper. True, the staff of some city dailies tend to laugh at the "Local News" which reports such things as the recent visit of Mrs. John Jones to her sister in the city. To a city paper, with a circulation of 100,000 or more, the events in the life of one or more subscribers is of little importance, but to the smaller weekly paper, such happenings are news, and very important news at that.

The greater number of out-of-town subscribers continue to "take" the home town paper in order to keep in touch with the events back home, and the district news provides part of this needed contact with the folks back home.

Along with most Ontario Weeklies, the Stirling News-Argus has carried a number of columns of district news, and it will be the policy of the new owner to carry on with this practice. It is our hope that the present correspondents will continue to report from their districts.

Forest Fires Up Four-Fold

There were more than four times as many fires in the Tweed district in June compared with the same month in 1963.

Department of Lands and Forests statistics released show 32 fires in the district last month. This compares with only 7 for June of the previous year.

Besides usual carelessness of campers and smokers, lack of rain and three lightning storms contributed to the overall increase. The rain count was down from a normal June total of 2.90 to 1.46 inches.

Married

BLANEY — FLEMING

A quiet wedding took place on Friday, June 26th, at Belleville, when Shirley Jane Fleming, only daughter of Mr. Thomas E. Fleming, of Ivanhoe, and the late Mrs. Fleming, was united in marriage to Oliver MacFarlane Blaney, of Scarborough, son of Mr. W. Blaney, Windsor.

Rev. W. H. V. Walker, B.A., Belleville, officiated.

The attendants were Mr. and Mrs. John Fleming, Ivanhoe.

Mr. and Mrs. Blaney will reside at Mazinaw Lake.

Delegate To Second Inter-Provincial 4-H Exchange

The 2nd Interprovincial 4-H Exchange for Canada's 4-H club members will be conducted July 14th to 27th. Termed by 4-H officials as one of the most significant projects ever attempted by the Canadian Council on 4-H Clubs, the Exchange will see a total of ninety 4-H Club members take two-week educational tours in provinces other than their own. The program was initiated last year as a Golden Anniversary Year function and met with such enthusiastic approval that it has been adopted as an Annual National 4-H Club activity.

Owen Ketcheson was interviewed and received this award when he attended 4-H Leadership Week at Guelph last year. This award was given to Owen for his outstanding 4-H work, in both projects and judging competitions. Owen, who graduated last spring from Macdonald College, with honours in the 2nd year diploma Agriculture course, is the son of Mr. and Mrs. Ross Ketcheson, of Moira.

Provincial delegations will leave by air from each province after departure ceremonies on July 13th. The Royal Bank of Canada, a long-term Council member, is again absorbing the costs of travel for the delegates, as well as assuming the role of hosts at the farewell functions.

On arrival at pre-arranged destination points, the travelling 4-H members will be guests of the host province. In the provinces the visiting delegates will be assigned to host families. These families, in turn, will show their guests points of interest and provide them with opportunities to observe local 4-H activities and agricultural practices.

Delegates will return home on July 27th. Provincial activities in the two-week period of the Exchange will emphasize the farm-to-farm visit aspect of the Exchange Program. Education through travel, and exchange of ideas is the prime motive behind the program. Club members participating in the Exchange have been selected through careful screening of individual leadership abilities and records of 4-H achievement.

4-H officials are optimistic that the 1964 Exchange will be even more successful than last year's program.

PAY ON TIME

Citizens of Stirling are reminded that the first instalment of their taxes is due on or before Wednesday, July 15th. This year's residential rate is five mills lower than last year, due to decreases in school rates, Village levy and sewer rate.

All things considered, the citizens of the Village have reason to be well satisfied with the efforts of Council to keep the rate as low as it is and it is to be hoped that they will show their appreciation by paying their first instalment promptly.

"LITTERBUGS"

A barbarous word which has come into recent use is "litterbug."

But the word is not worse than the habit which it describes.

It is incredible that people who would not think of littering their own homes and yards with rubbish think nothing of tossing debris of all kinds onto streets, highways, or into park areas, or even into lakes and streams. The litterbug of today thinks the whole world is his waste-basket.

It is not in the least uncommon to see people throwing rubbish from a car in motion. Streets and highways are constantly littered with rubbish of all kinds. Even smelly garbage has been tossed into well kept lawns by careless passersby.

Stirling's streets and parks are local targets of these untidy individuals. In addition to the unsightly mess they create, these thoughtless people are a real menace to health.

Why such persons should imagine that public roads and parks are dumping grounds for their convenience it is difficult to imagine. But the word coined to describe them suits the barbarity of the practice.

Don't join the litterbugs! Keep Stirling clean!

If you must kick, kick toward the goal.

The eighth wonder of the world: "Wonder how the neighbour can buy so many things we can't afford."

When worried about a place to park, think of Noah, he finally made a happy landing.

There is only one good . . . knowledge and only one evil . . . ignorance. —Socrates.

Blessed is the man who, having nothing to say, abstains from giving wordy evidence of the fact.

There is one simple rule of driving that will make the streets of Stirling, and the highways, safe for everyone who uses them — "Drive as you would have others drive."

WOMEN'S INSTITUTE

IT CAN BE DONE
I'll hold my candle high and then perhaps I'll see the hearts of men, above the sordidness of life, Beyond misunderstanding, strife, Though many deeds that others do, some foolish, rash and sinful too, Just who am I to criticize what I perceive with my dull eyes? I'll hold a candle high, and then perhaps I'll see the hearts of men.

Ivanhoe

LATE JOSEPH
JAMES KERBY

It was with regret that old friends here learned of the sudden and untimely death of Joseph James Kerby, Toronto, in his 46th year.

He was born in Ivanhoe, the son of the late Michael Kerby and Minnie Stewart. He spent his early life on his father's farm, attending West Huntingdon Public School. He was predeceased by a brother, Stewart, R.C.A.F. pilot, who was killed in England, May 12th, 1943.

He served with the R.C.A.F. as air gunner, 1941-45, in European countries during World War II, bringing home an Irish bride, Phyllis Byrnes.

He operated the Ivanhoe Garage from 1947-51. He possessed a genial personality and was well-known in this vicinity. He was a good neighbour and a loyal friend.

At the time of his death he had been employed by the Automatic Transmission Garage on North Yonge St., Toronto. He was a member of Margaret's Roman Catholic Church, Toronto.

The late Mr. Kerby rested at the Lobraico Funeral Home, Yonge St., to St. Margaret Church, Ridley Ave., for requiem high mass on Friday, July 3rd.

The bearers were Paul Thompson, John Lukas, Austin Riley, George Gibson, Toronto; Ambrose Lalonde, Midland; and Dorian Stewart, of Madoc.

St. Andrew's
Women of the
Church Monthly

St. Andrew's Women of the Church held their monthly meeting at the home of Mrs. Percy Craighead recently with a large attendance. President Mrs. J. Johnston opened the meeting with words of welcome and a poem, "Rise Up O Men Of God" was sung, followed by Scripture and meditation by Mrs. Donald Fargay and prayer by Mrs. Bert Cook. The offering was gathered and dedicated.

Highlights of the Church gathering at Gananoque were given by several of the members.

It was decided to hold "The Christmas Fair" early in December. A desert and tea in the afternoon and a coffee party in the evening.

The Church will be closed during the month of July when it will be redecorated inside and out.

Committees were formed to assist the Board members.

Mrs. Dodds conducted the remaining portion of the meeting and introduced several of the members from the West Huntingdon Presbyterian Church who reported on the centennial of the Church and W.M.S. held in Montreal.

Mrs. L. Sills and Mrs. J. McInroy gave a description of their trip down and of the church and all the activity. Mrs. J. Wallace gave a synopsis of three of the messages given at different sessions; which were very inspiring and challenging. Mrs. W. Donnan sang a solo which was composed and used at the centennial in Montreal.

Mrs. Roy Eggleton voiced the appreciation of all present to the ladies of West Huntingdon, the hostess and her assistants.

Mrs. J. Johnston gave a reading, "Two Golden Days". The meeting closed with the benediction. A contest and social time was enjoyed after which a cup of tea and cookies were served.

about
Ron...

We're proud of him, and it's a simple story, really. Ron works in our Service Department and nobody calls him Mr. Whiteman, because Ron wouldn't want it that way. However, to move on with our story, this customer came in the other day to have his trade-in appraised while his eyes moved covetously over a Corvair Monza.

Got offered one of the best deals in the area, then wandered over to where Ron was working and told him why he was going to trade, couldn't seem to keep the thingamajig working in his old car. Well, Ron had had experience with this and had it right in a few minutes. The fellow drove away without making a deal, 'cause he didn't have to. We're proud of Ron.

SALADS AND DAIRY PRODUCTS AN UNBEATABLE COMBINATION

Salads and dairy products make an excellent combination for summer meals, and rightly so. Their cool, rich flavour, and creamy texture complement the variety of colours, flavours and textures of salad ingredients. In liberal amounts dairy products add the important protein necessary to turn an ordinary salad into a main dish feature.

With so many dairy products available on the market, you should have no trouble turning out distinctive salads using these important foods as a basis.

Build your salads around protein foods such as cottage cheese, cheddar cheese or other varieties, sour cream or yoghurt. For "main dish and dessert" salads crowned with whipped cream, ice cream or sherbert.

The home economist of the Consumer Section, Canada Department of Agriculture, suggest the following salad recipes featuring dairy products, of course.

JELLIED HAM ROLLS

"An unusually attractive salad, featuring cream cheese spiced with horseradish".

- 4 ounces cream cheese
- 1 package lemon-flavoured jelly powder
- 1½ cups boiling water
- ½ teaspoon salt
- 3 tablespoons vinegar
- 6 thin slices cooked ham (6 to 8 ounces)
- 1 to 2 tablespoons horseradish

1 cup white seedless raisins
Let cheese soften at room temperature. Dissolve jelly powder in boiling water. Stir in salt and vinegar. Pour jelly mixture into a 9½ x 5½ inch loaf pan to a depth of about one-half inch and chill until partly set. Chill remaining mixture until syrupy.

Cream the cheese, blend in horseradish and spread evenly on ham slices, allowing 1 to 1½ tablespoons to each slice. Roll up rather loosely, fasten with toothpicks and arrange in partly set jelly, making sure that toothpicks are upright. Sprinkle half of raisins between rolls, add the rest to the syrupy jelly mixture and pour over rolls. Chill until firm, about 3 hours. Remove toothpicks. Unmold and garnish with lettuce. Cut through jelly between rolls and serve with salad dressing or mayonnaise. 6 servings.

MEXICALI SALAD

"Sour cream is the dairy food special in this cabbage and carrot salad."

- 1 cup shredded raw carrot
- 1½ cups finely shredded cabbage
- ¼ cup chopped green pepper
- ¼ cup diced celery
- ¼ cup sliced radishes
- 2 cup sliced green onion
- 2 medium tomatoes, diced (about 1½ cups)
- 1 teaspoon salt
- 1½ teaspoon pepper
- 1 cup French dressing
- 1 cup commercial sour cream

Combine vegetables, salt and pepper, add French dressing and toss to coat pieces. Refrigerate for 1 hour.

Just before serving drain off dressing, add sour cream and toss to coat pieces. 6 servings.

CUCUMBER AND SOUR CREAM SALAD

"Hardly needs any explanation — sour cream compliments the cool cucumbers to perfection."

- 3 medium cucumbers (about 6 inches long)
- 1 teaspoon salt
- 1 cup commercial sour cream
- 2 tablespoons white vinegar
- 1 teaspoon sugar
- 1 teaspoon salt
- ¼ teaspoon pepper
- 2 tablespoons finely chopped onion

Peel and slice cucumbers thinly. Sprinkle with 1 teaspoon salt. Mix well and let stand 30 minutes, stirring occasionally; or, for crisper slices, cover with ice water. Drain thoroughly, pressing out excess liquid. Combine sour cream with remaining ingredients, add the drained cucumbers and mix well. 6 servings.

OF MANY THINGS

MEDICAL CARE

Even doctors, who have grave doubts about a national compulsory medical care plan, are not willing to engage in an all-out fight against it. Doctors, in the main, are convinced that in the long run it will do damage to the quality of service they are able to give.

Doctors fear many persons will abuse such a service, and make it very difficult for the patient in serious need of treatment to get it promptly. They would have preferred that governments, instead of taking over the entire field of medical care, would provide financial help to give care to those unable to provide it for themselves. Or provide a form of disaster insurance against huge bills.

Modern thinking, however, seems to be that you can't help the needy without helping everybody. If the poor man is offered assistance, it must be also be given to the rich man — forced upon him, if need be. Charity is thought to degrade the recipient. The Good Samaritan would be puzzled about how to behave in our modern society!

My bet is that we will have a full-scale Medicare Plan in Canada within ten years. It sounds attractive to voters. Those who oppose it appear to be meanies, enemies of the sick and maimed. Those who, having paid Hospital Insurance for years only to find no hospital bed available when they took sick, will listen closely to the critics. They will recall the fruit stand owner who priced his bananas away below his competitor — but had no bananas to sell.

One thing is certain. If we get a national Plan plus a national Medicare Plan, the total cost is going to give the family man in the middle-income level so many headaches he will need his doctor more than ever before. Canada is becoming a country in which it is best to be either very poor or extremely rich. The middle class takes the onerous load.

River Valley W.I. Annual Picnic

On Sunday, July 5th, River Valley Women's Institute held their Annual Picnic at The Colonel Roscoe Vandewater Conservation Area Park with twelve Institute members and their families in attendance, a total of fifty people.

All enjoyed a sumptuous pot luck picnic dinner and later in the afternoon luscious watermelons were cut and served.

The children enjoyed a candy scramble and each was the recipient of a coloured balloon. There were twenty-seven children in attendance. The three-legged race for girls was won by Connie Tucker and Shirley Anne McDonnell and for boys, by Grant Carr and John McDonnell. Young and old engaged in copper and milk bottle contest and egg races. The winners received chocolate bars and the other contestants, lead pencils.

Mrs. Vernon Harry, president, conducted a brief business period when a few items were discussed.

It was decided to change the date of the October meeting to Saturday evening, October 3rd, at 8 p.m., in order to accommodate the guest speaker, Mr. John Svoboda, who will be attending the Oddfellows' 15th Annual United Nations Pilgrimage for Youth in July and will bring a special message to the Institute.

River Valley W.I. has donated six dollars again this year for prizes at Stirling Fair. The competition will be for a cotton apron made by an Institute member or a 4-H Club member and entered in the Ladies' Division for the Fair early in September.

Danger -- Aerosol Cans

Aerosol cans will explode with violent force when subjected to heat, warns the Ontario Safety League. They should never be placed near heat sources, nor thrown onto rubbish fires or into incinerators.

The League cites from Family Safety magazine, two accidents resulting from ignorance of this fact. One woman had her jugular vein slashed by a flying piece of metal from an aerosol can she had just thrown into a trash fire, killing her. A boy in Ohio, decorating the Christmas tree, sat a pressurized can of "snow" on a stove. It exploded, sending fragment into his right eye, necessitating its removal.

These cans are becoming more and more plentiful on the market, so their careful use and disposal away from heat also becomes more important, in order to avoid this sort of violent accident.

Co-hosts Don Harron and Commentator Pat Patterson team up this summer on a new radio network series Side by Side, a special presentation Trans Canada Matinee from June to September. Each Monday, Wednesday and Friday, Pat and Don present a pot-pourri of entertainment with conversation, music and spoken-word recordings. Each Tuesday, Pat takes over the show herself with interviews of music personalities, and each Thursday, Don Harron sits in by himself to introduce recordings and comment on his favourite Broadway musicals.

NEWS FOR THE BUSY FARMER

Meat Prices Expected To Climb In July

Meat prices are expected to take a seasonal climb during July, the agricultural department predicted Friday in its monthly food bulletin.

Prices of beef, pork, smoked and cured meats will be as high as last summer, or slightly higher, with the smoked and cured meats the least expensive.

Fresh fruits and vegetables will be readily available in all parts of the country.

July will see the last of the strawberries but the first raspberries, cherries and early peaches will appear on the market. Good peach crops are expected in British Columbia and Ontario.

Farm Safety A Full-Time Job

The National Safety League of Canada is supporting all organizations across the country in the promotion of Farm Safety Week, July 19 to 25, 1964.

The present-day farm is a comparatively safe place to live, but it remains a dangerous place to work, said the League.

If present rates continue in the next year, more than 120,000 of the farm population will be involved in accidents of which about 33,000 will cause injury and 2,400 deaths. This will mean that one member of every fourth farm family will be either killed or seriously injured this year.

Of all accidents involving farm residents, 72% occur on the farm, the rest off the farm. In one-third of the machine accidents, victims are under 20 years old, 12 per cent under 10. The tractor is involved in the majority of fatal farm power accidents. "Operators of tractors must know safe operating procedures," warns NSL.

Farming continues to rank as the third most hazardous occupation. Only mining, including quarrying and petroleum drilling, and construction have higher accident rates.

Motor vehicles, home and public accidents affect farm residents about as severely as they affect other Canadians. Work accidents on the farm, the smallest classification nationally, remain second only to motor vehicle accidents.

"Safety procedures are as neces-

sary on the farm as in other work if farm safety is to be brought into line with the rest of the nation," the League claims.

Supervision of employees is more difficult on the farm than in a factory. The worker often works alone and an unsafe act may go unnoticed and uncorrected, the League points out.

Frequently the farm employee is temporary, an itinerant worker or a student working during the summer. Too often he lacks the proper training and knowledge to work safely, said NSL.

"The farm employer should make an extra effort to be sure that his workers understand their duties and the proper, safe way to operate equipment and handle the materials they use. It cannot be assumed that a high school student can operate a tractor properly because he has a driver's license — no matter how safe a driver he may be."

Farm Safety Week, July 19th to 25th, is a time to concentrate on identifying and removing accident hazards and examine safety attitudes in a united effort to reduce farm, home and rural accidents to an irreducible minimum. The farm family can play a most important part in accident control. It must be a family affair.

E.B.I. Ayrshire Bull Recognized

Alderwood Supreme, Excellent, one of the outstanding Ayrshire bulls at Eastern Breeders Incorporated has been given an "Approved Type" rating by the Ayrshire Breeders Association of Canada. "Supreme" joins a select group of only 8 Ayrshire bulls in Canada to be so rated. The award is for sire of daughters with a high standard of type conformation. It is based on the classification ratings of all classified daughters according to the percentage in the three highest ratings, Excellent, Very Good and Good Plus, and the average score. Supreme's 37 classified daughters are 7 Excellent, 11 Very Good, 14 Good Plus and 5 Good. Their average score is 85.2. His daughters are also very good milkers. Twenty-eight of them have been tested and have produced 15 per cent and 16 per cent more milk and butterfat respectively than their Breed Class Average.

THE BIBLE TODAY

Nearly 75 leaders, drawn from twelve different Churches, ranging from Brethren and Mennonites to Roman Catholics and Orthodox, met in conference with representatives of the United Bible Societies, at Driebergen, Holland, in June, 1964.

The conference was convened by Dr. F. D. Cogan, Archbishop of York, as President of the U.B.S. It was planned as part of the 150th Anniversary celebrations of Church and Bible Society leaders to consider the place of the Bible in the world today, and to discover ways in which the Churches and the Bible Societies can co-operate more fully in world evangelism.

The Rt. Rev. R. K. Maguire, Bishop of Montreal, the Rev. Dr. T. R. Davies, of Hamilton, and the Rev. Dr. Kenneth G. McMillan, General Secretary of the Canadian Bible Society, were the Canadians among the church leaders from 48 countries who met in Driebergen. The conference was seeking answers to problems posed to the churches and the Bible Societies by the religious crisis of the 20th century, planning on a world scale for at least the next decade.

The Good Driver

Old-time horse traffic was twice as dangerous as today's motor traffic. The Ontario Safety League says there were 3850 fatalities from horses and horse-drawn vehicles in the U.S. in 1909. Old Dobbin used to travel about 500 miles a year, compared with 10,000 miles yearly for the modern automobile.

Preparedness increases perception, says the Ontario Safety League. A driver with normal vision perceives an expected obstacle twice as far away as he can see an unexpected obstacle.

The Ontario Safety League reminds drivers that cars just don't "stop on a dime". Even at the modest speed of 30 mph an alert driver, with good brakes, needs more than twice the width of the average intersection to stop his car.

World motor vehicle registrations totalled 146 million in 1962, says the Ontario Safety League. Of these, 113 million were passenger cars, the U.S. and Canada accounting for 62% of the total.

Motorists, if you pick up an unknown hitch-hiker you run the risk of robbery, assault and even murder. You can't be sure a picked up stran-

ger is harmless until he leaves, says the Ontario Safety League.

Police in a small Arizona town became curious about the many hitch-hikers who were passing through. Checking 100 of them they found that only 4 were without police records. Eighty-four had criminal records, 12 others were juvenile runaways or AWOL servicemen.

Quick Can. Quiz

1. Which province has the greatest fresh-water area?
2. In dollar value what was the leading product of Canada's mining industry in 1963?
3. Is the average investment to provide one new job in Canadian manufacturing \$3,790, \$9,500, or \$13,490?
4. When it is twelve noon at Winnipeg, what is the time at Vancouver and at Halifax?
5. Canada's 1963 national income was \$32,600,000,000. What proportion was spent on public health and welfare programs?

ANSWERS: 5, \$4 billion, or 12.2 per cent. 3, \$13,490. 1, Quebec. 4, At Vancouver, 10 a.m.; at Halifax, 2 p.m. 2, Crude petroleum, \$633 million.

Picture-Taking Tips

Pictures that pack a lot of punch usually have a single idea, uncomplicated by extra details. This can be accomplished by making close-ups or choosing a simple, uncluttered background.

Use arches, leaves or branches in the foreground to "frame" your picture. Even a much-photographed subject can be given a unique treatment by a photographer with a little imagination.

Placing people in the foreground of a scenic panorama will add interest, balance and perspective, and give the viewer a feeling that he is part of the scene.

"Quiet Zone" Signs Are In Wrong Place Editorial Observes

"Quiet Zone" signs are definitely in the wrong place, according to the Winnipeg Tribune. Odd thing about hospitals, an editorial observes, these signs are erected in the street outside rather than inside the building. "Any one who has shared a room with a bevy of patients with noisy relatives must regard this as a queer arrangement indeed."

The editorial, headlined "Noisy Hospital", was inspired by a speech to the annual meeting of Winnipeg's Victoria General Hospital by Dr. P. H. T. Thorlakson. He challenged the meeting to make the hospital "a quieter and more restful place which will allow speedy recovery from serious illness, and not a place pervaded by nerve-jangling racket from turned up radios and TV and floor polishers."

Honesty Makes Page One

(Vancouver Sun)

What an extraordinary chain of events was set off by the Brownie who found a \$10 bill in the gutter. She took it home. Her family called the police. The officer was surprised at such unheard-of honesty. The police reporter thought it worth a human interest story. The news editor played it on the front page. Thank you, Gina Foster, aged 9, not just for being a good Brownie, but also for shocking us into the realization that in our curious society honesty is news.

LEGION NOTES

We once again urge all members to lend a hand at the Legion Hall every Wednesday evening at 7 p.m. Work on the interior of the hall is progressing most favourably and if we can have some extra help during the next three weeks, it is quite possible that the hall will be completed by very early August.

Legion members everywhere have learned with great satisfaction that a Government grant of \$51,133.00 has been awarded the Legion by the National Advisory Council on Fitness and Sports. This constitutes the largest grant ever given any organization to date.

The grant constitutes recognition in a concrete and most acceptable form of the very important role played by the Royal Canadian Legion in promoting sports and fitness for all Canadians.

While financial support from the Federal Government is of great importance, it should be noted that the Legion at all levels — Branch, Provincial and Dominion — will be spending more than \$175,000.00 on its 1964 sports program in addition to the money made available by the government grant.

What were the 10 most popular songs of World War II? According to a recent survey among veterans of World War I, these were the ten most popular and most remembered:

1. It's a Long Way To Tipperary;
2. Mademoiselle From Armentieres;
3. Keep The Home Fires Burning;
4. There's a Long, Long Trail;
5. If You Were The Only Girl In The World;
6. Oh, Oh, Oh, It's a Lovely War;
7. All The Nice Girls Love a Sailor;
8. Roses are Blooming in Picardy;
9. Good Bye-ee;
10. Roamin' In The Gloamin'.

The list for World War II reads as follows:

1. There'll Always Be An England;
2. Bless Them All;
3. Beer Barrel Polka;
4. Wish Me Luck;
5. Lili Marlene;
6. I've Got Sixpence;
7. The White Cliffs of Dover;
8. Waltzing Matilda;
9. Praise The Lord and Pass The Ammunition;
10. Now Is The Hour.

Holloway Upsets Glen Ross

In Stirling District Young Peoples softball play on Tuesday, June 30th, Holloway defeated Spring Brook 17-12 on the former's diamond. Muriel Cummings got credit for the win while Linda Bateman got the defeat. On Tuesday, July 7th, Holloway came from behind and by taking advantage of several Glen Ross errors, defeated the visitors 15-12. Glen Ross held a 6-3 lead at the end of four innings, but the Holloway crew exploded

for a 9 run fifth, sparked by John Reid's three-run homer. Muriel Cummings started for Holloway on the mound and was replaced in the seventh, when Glen Ross started a comeback, by Wanda Vance. Donnie Visser, who pitched tremendous ball for four innings, went the distance for Glen Ross. Grills and N. McRae homered for the river crew. This puts Holloway in first place, 2 points ahead of Glen Ross, who have a game in hand.

Line-ups: — Grills, cf; Donnie Visser, p; Wood, 2b; Carol McRae, 3b; D. Keating, c; Linda Johnson, 1b; N. McRae, ss; S. Danford, lf; Doreen Loshaw, rf.

Holloway — Nicholson, ss; Lois Danford, 2b; Roth, cf; W. Cummings, lf; Muriel Cummings, p; Christie 1b; Wanda Vance, 2b; Reid, c; Carol Harding, rf.

Wellman's United Church Women

Mrs. Omar Dracup was hostess to the ladies of Wellman's United Church Women on Tuesday, July 7th, when the ladies entertained the younger folk, which has been a regular practice for the summer for some time.

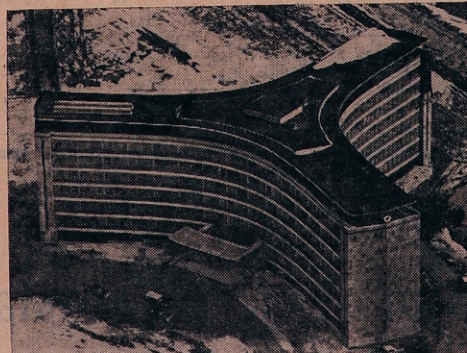

Mrs. O. Dracup, president, gave the Call to Worship, and the hymn, "This is My Father's World", was sung followed by all repeating the Lord's Prayer.

Ralph Dunham was in charge of the worship portion of the meeting, using "Love" as the theme. The hymn, "Love Divine All Love Excelling", was sung. Ralph quoted a portion from Psalm CIII, then read a story telling of God's great love for us, and closed with prayer.

Allan Dracup gathered the offering which was dedicated by Mrs. Dracup. The minutes, read by the secretary, Mrs. K. Tompkins, were approved and the correspondence was read. Mrs. Craig Watson, treasurer, gave the financial report. Mrs. Dracup thanked the ladies who helped at the sale, those who attended the teas to which Wellman's U.C.W. were invited, also those who did driving or assisted with programs.

The roll call, a favourite Bible story, was well answered. There were 20 adults and 25 children in attendance.

The program, put on by the young folk was as follows: vocal solo, "If You Know the Lord", by Dawn Beckett; piano solo, "Swanee River", by Susanna Harp; vocal duet, "Jesus Wants Me For a Sunbeam", by Janice and Valerie Clancy; piano solo, "Waltz in A Flat", by Douglas Laverder; reading, "Vacation Time", by Carol Seeley; piano solo, "The Mer-

ry-Go-Round", by Virginia Pollock; reading, "Going Swimming", by Lloyd Dunham; three selections on the accordion, by Gordon Morton; vocal solo, "In Times Like These", by Janette Dracup.

Mrs. Burton Morton gave a chapter from the Study Book dealing with India. The very heavy population is realized with 384 persons per square mile. Seventy per cent of the population are farmers who live in mud huts. The average span of life is 32 years. The cow is a very precious animal. There the 130,000,000 in the country and are never used for meat as they are used here. They are too precious to kill for meat. The problems of the Indian Church are the means of travel and the travelling distances. Leadership is badly needed. Mrs. Morton exhibited a scarf, school book bag and a fancy bag, which had come direct from India. The people of India are very friendly toward Canada.

The hymn "Infant Praise", was sung, after which Rev. W. G. Fletcher pronounced the Benediction. Mrs. Dracup and her assistants served refreshments and all enjoyed a social period.

Stirling Rotary Club Annual Street Fair, Monday Evening, July 20th

GAMES — DANCE — DRAW FOR CASH PRIZES — TICKETS 25c or 5 for \$1.00 — TICKET ADMITS TWO TO STREET FAIR

Games of All Kinds And Round and Square Dancing At Rotary Fair

Draw For Cash Prizes — Harvey Couch To Provide Merry-Go-Round For Kids

All roads lead to Stirling on Monday night next, July 20th, for the annual Rotary Fair and Street Dance, under the auspices of the Stirling Rotary Club.

President Jack Weatherill and his assistants have everything in readiness for a gala night and citizens of Stirling and surrounding districts are invited for the occasion. The Rotary Club is in need of funds to carry on its work which includes the supervision of the local playground on Henry St., financial assistance to the Ontario Society for Crippled Children, students' loan, rehabilitation for crippled children, transportation and lodging for children to "Merrywood on the Rideau" Camp for crippled children, and general welfare work. Your support is needed to keep up the splendid work being carried on by the local service club.

Games of all kinds will be in operation while music for street dancing will be furnished by a local orchestra.

Ride For The Kids

The committee in charge is not unmindful of the entertainment of the children and arrangements have been made for a merry-go-round to be present, courtesy of Harvey Couch.

Draw

During the evening the grand drawing for cash awards will be made.

Tickets, which admit two to the fair, will be on sale until just before the drawing and everyone is urged to buy a ticket and a chance on the prizes.

If you have never visited a camp where there are 70 to 100 crippled children may we suggest that you do so at your earliest convenience that you may see at first hand the work that is done there.

The Stirling Rotarians have done a splendid work in assisting crippled children throughout this district and are worthy of the whole-hearted support of every citizen. They appreciate your support in the past and all that you may do to assist in the great work.

Remember the place and date — Stirling, on Monday night next, July 20th. Come and bring your friends.

No Paper Next Week

There will be no issue of the News-Argus next week, July 23rd when our staff will enjoy their annual vacation. The next issue of the News-Argus will appear July 30th.

Correspondents covering the news in the surrounding area are asked to note the holiday and have their news budgets for the week of July 30th in as early as possible.

To Attend Ranger Training Camp

Friends of Dan Harris, a pupil last term at Stirling-Rawdon District High School, will be interested to learn that he has been invited to attend the New York Rangers Hockey Training Camp. Dan will report to the Kitchener Junior "A" Camp from August 29th to September 4th. During his stay here, Dan has made many friends who wish him well at training camp.

Glen Ross Young Peoples Defeat Spring Brook

On Tuesday night, Glen Ross played hosts to Spring Brook and the home team, treated the visitors to a 11-5 defeat and moved back into a first place tie with Halloway.

Much of the credit for the Glen Ross win should go to their star pitcher, Bonnie Visser, who pitched a remarkably steady game throughout. Linda Bateman toiled in defeat. Ken Wood and the Keating brothers, Doug and Fred collected home runs for Glen Ross while Glen Finch and Larry Downer hit four-baggers for the visitors. Larry Downer, Gail Ray and Monica Gorgarat played brilliantly defensively for the visitors, while Linda Johnson and N. McCrae also deserve mention. The largest crowd of the season was in attendance despite the damp weather.

Sneak Thieves Active

Sneak thieves are active in the village with residents on Belleville Road and John Street reporting money being taken from milk bottles on Friday night.

Mrs. Margaret Ann Pauley Dies

Resident in the area most of her life, Mrs. Margaret Ann Pauley died at her home, R.R. 2, Harold, Wednesday, July 15th. She was in her 82nd year.

Born in Dunganston, daughter of the late Mr. and Mrs. William Davidson, she had lived in the Harold district for the past 31 years. She was predeceased by her husband, Lewis Pauley.

Mrs. Pauley was a member of Wellman's United Church and belonged to the church women's group.

She is survived by a son, Cecil Pauley, R.R. 2, Harold, two daughters, Mrs. Howard (Hazel) Wallace, R.R. 2, Harold, and Mrs. Gladys Dean, R.R. 1, Thomasburg; seven grandchildren and two brothers, Thomas Davidson, Manitou, Man., and William, of New York City.

She was predeceased by three sisters.

Mrs. Pauley is resting at Duffin's Funeral Home, Stirling, where the funeral will be held on Friday, July 17th, at 2 p.m., to Wellman's United Church for service at 2:30 p.m. Interment Wellman's Cemetery.

Roy Tucker Installed As District Deputy Grand Patriarch of I.O.O.F.

At the recent sessions of the Grand Encampment, Independent Order of Odd Fellows, held in Toronto, Roy Tucker, a member of Stirling Encampment No. 80, received his commission as District Deputy Grand Patriarch of District No. 29.

Mr. Tucker joined the Oddfellow Lodge No. 239 in Stirling in 1952 and Stirling Encampment No. 80 in 1953. He has filled the office of Noble Grand and Chief Patriarch.

He has devoted much of his time to the work of the Order and his election to the office of District Deputy Grand Patriarch is being well-received by the patriarchs of the district.

Installation

His installation took place on Thursday evening, July 2nd, at the Stirling I.O.O.F. Hall with Dwight Reynolds, of Picton, Past District Deputy Grand Patriarch, of Picton, officiating.

Following is a list of District Officers of the installing team: D.D.G. High Priest, Robert Rolson, Picton; D.D.G. Senior Warden, Clayton Farrow, Trenton; D.D.G. Recording Scribe, George Carlisle; D.D.G. Treasurer, Guy Bradshaw; D.D.G. Financial Scribe, Farley Parnell; D.D.G. Marshall, Earl Fox; D.D.G. Junior Warden, Ron Bronson, Belleville; D.D.G. Sentinel, Karl Sine; D.D.G. Musician, Ralph Jeffs.

At the close of the meeting refreshments were served and a social hour enjoyed.

Arena Committee Presents Two Ring Circus

For the first time in many years, the citizens of Stirling and district were treated to a circus. On Thursday last the Gene Cody & Kipling Bros. Circus moved into the Fair Grounds and presented afternoon and evening performances, under the auspices of the newly formed Stirling District Memorial Arena Fund.

Due to the threat of an electrical storm in the evening, attendance was cut considerably. But those present enjoyed the usual antics of the circus clown, aerial acts, trick dog numbers, acrobats and to round out the good programme, "Bimbo", the elephant. Following the entertainment under the "big top" patrons were invited to visit the various attractions that make up a circus.

"At Home"

Mr. and Mrs. F. E. Hutchinson, R.R. 3, Stirling, will be "at home" to their friends and relatives on Wednesday, July 22nd, 1964, from 2 to 4 p.m. and 7 to 9 p.m., on the occasion of their fiftieth wedding anniversary. 16-1p

Rawdon Council Sets Tax Rate

A special meeting of Rawdon Township Council was held on Monday, July 13th for the purpose of setting the 1964 tax rate. By-law No. 864 was passed to set the rates as follows:

County rate, 19.9 mills; Township rate, 5.6 mills; Twp. Road rate and Snow Removal, 11.3 mills; Spring Brook Hydro, 2.7 mills; Rawdon High School Area, Commercial, 25.5 mills; Farm and Residential, 22.9 mills. The rebate to farm and residential property owners on the government per capita grant will be 4 mills.

By-Law No. 865 was passed, appointing Allen Reid tax collector for the year 1964 and 1965.

By-Law No. 866 was passed to provide for prohibiting the dumping or disposing of garbage, refuse or domestic or industrial waste of any kind in certain defined areas in the Corporation of the Township of Rawdon.

On motion of Morton and Clancy, a letter is to be written to the Clerk of Sidney Township, that the Township of Rawdon is willing to dissolve the Union School Sections between Rawdon and Sidney, providing they obtain the necessary petitions.

In Hospital

Friends of Mrs. Elizabeth Christie, Church St., will regret to learn that she is a patient in Belleville General Hospital.

Entertained At Family Dinner

Mr. and Mrs. Ray Poste entertained at a "Family Dinner" at their cottage on Papineau Lake on Sunday, July 12th. The reunion was in honour of their son, Richard, who recently graduated as a Flying Officer in Winnipeg.

Those who attended were Mr. and Mrs. Ken Poste and family, of Trenton, Mr. and Mrs. E. V. Gowsell, of Belleville, Mr. and Mrs. Garry Poste and family, of Batawa, and Mr. and Mrs. Ralph Clements and family, of Harold.

Richard, who has enjoyed a month's vacation with his parents, will leave Friday for a week at R.C.A.F. Station, Gimli, Manitoba, to be with the R.C.A.F. Station at Rivers, Manitoba, for three months.

Mr. and Mrs. Albert Fraser Honoured On 25th Anniversary

Sunday evening, July 12th, Albert and Pearl Fraser entertained about sixty friends at their home for dessert on the occasion of their 25th wedding anniversary. The desserts were arranged on a table covered with white linen, centered with an anniversary cake, silver candles and a floral arrangement of red roses forming the number 25. A beautiful oil painting of a fall scene was presented to the celebrants by those present.

The guests were served by their daughters, Elizabeth, Joan and Patricia, assisted by the latter's husband, Ross Anderson, Bryce and Donna Philip and Shirley Floud.

The Frasers were also honoured on Saturday evening at their cottage by their families and received several gifts, including an album containing 25 sheets of green felt, on which were arranged twenty-five silver dollars, forming the anniversary number. This was the gift of Major Fraser who was well enough to spend Sunday with the couple at their home in Stirling.

Memo To Parents

Children between the ages of 6 and 10 only, are eligible to attend the Rotary sponsored playground. Your cooperation in this matter will be appreciated by the playground supervisors.

Juveniles Defeat Trenton Junior B's

On Saturday night Stirling Juveniles played hosts to the Trenton Junior B's and came out on top of an 8-7 score. Don Burkitt went the entire route to receive credit for the win.

Bible School At Grace Chapel

The Bible School being conducted this week at Grace Chapel opened on Monday with approximately forty children in attendance. The school is again this year under the direction of Miss L. Campbell.

Passes Exams In Real Estate

Guy Bradshaw, of town, has been notified that he has been successful in his recent examination to sell real estate and has received his license. He has accepted a position with Collette and Lagroix, Realtors, of Trenton, as sales representative for Stirling and district.

Stirling Legion Pee Wee's Softball Champions

Stirling Legion defeated Spring Brook on Tuesday night at Spring Brook by a score of 5-4 and last night by a score of 16-8, before a large cheering crowd both nights, to win the new Major Fraser Trophy presented by President Allen Lawes, on behalf of the Stirling Legion.

The previous trophy was won three years in a row by Glen Ross who were entitled to keep it.

Last night Robert Bastedo, on the mound for the Legion, kept the game well under control, and was given exceptional help by catcher Gregory Dafeo and by outstanding field play by the rest of his team-mates. The Legion team was hitting well and placed many good hits off two Spring Brook pitchers.

Lineups:

Stirling Legion — Gregory Dafeo, Robert Bastedo, Ricky Montgomery, Sonny Farrell, Gary Reid, Corey Dykstra, Douglas Faulkner, John Williams, Jim Duffin, Micheal Hunter, Wayne Tucker, Steven Pollock, David Stapley. Coaches, Bert Bastedo and Grant Montgomery.

Spring Brook — Bateman, O'Shea, Andrews, Redcliffe, Reid, Solmes, Ackers, Goussarat, Bateman, Thompson. Coaches, Doug. Andrews and Jack Reid.

Rain Welcomed By District Farmers

Except possibly those who might just have started on their vacation, few people in the Stirling area complained about the rain received on Sunday and Monday.

Parched lawns got a respite and the rain will also benefit local farmers' crops.

Jones -- Lawes Wedding

A quiet wedding took place on Thursday evening, July 9th, at Belleville, when Brenda Jean, eldest daughter of Mr. and Mrs. Allen L. Lawes, of Stirling, was united in marriage to Carl Gordon Jones, of Oshawa.

Rev. W. H. V. Walker, Belleville, officiated. The attendants were Miss Mary Lawes, of Stirling, and Mr. Gary Jones, of Oshawa.

Men's Doubles Tourney Held

Trenton Pair Were First In Three-Game Competition — Fourteen Pairs Competed

With the greens in splendid condition, the bowlers participating in Saturday's men doubles tournament at the local greens had some very close games. Three 14-end games were played and the draw was made up of four entries from Kingston, three from Belleville, three from Trenton, one each from Campbellford and Colbourne, and two from Stirling.

A Trenton team, with Ken Peacock as skip, took high honours for the day with three wins and a score of 47 plus 2 and were presented lawn chairs for their efforts. A Belleville entry, with Bill Wright, skip, also had three wins and a score of 41 points. They received barbecues as prizes.

The prize for two wins went to a Kingston rink, skipped by Doug. Clarke with a score of 43 points. They received lawn chairs. An entry skipped by H. Hall, of Belleville, took the honours for one win, with a score of 42 points. Large ash trays were the prizes.

First Game

In the first game K. Peacock, Trenton, defeated M. Galt, Kingston, 20-4; Hosie, Belleville, defeated McCorquodale, Kingston, 20-9; R. Haker, Trenton, defeated D. Martin, Kingston, 14-12; B. STIRLING FALL FAIR

Friday and Saturday, September 4th and 5th, have been set by the Stirling Agricultural Society as the dates for the 1964 edition of the Stirling Fall Fair. The prize lists will soon be ready for distribution and it is hoped that the necessary support and co-operation will be forthcoming from the citizens of the Village and surrounding community to make the fair the success it deserves.

VACATION ON THE FARM

A vacation on the farm may be a great treat to a city family but there are dangers to be avoided. Riding on or operating farm machinery is for the experienced adult and not for younger teens and children. Also, it isn't advisable to try making friends with farm animals that may be strange to the children.

WHAT IS A LETTER TO THE EDITOR?

It is not, as the phrase might imply, a letter to the owner of the local newspaper. It is, in essence, a letter to the public, not to an individual. It is an expression of opinion which the writer wishes to place before the public. The editor will agree with its contents one hundred percent — or he may disagree violently.

There are good letters to the editor . . . and there are bad. There are those which are ill-advised and poorly thought-out. And there are, of course, good ones.

There are times when the editor takes a letter and tears it up. This is his privilege too. Whether or not the letter agrees with his opinions has no bearing in his decision. What many persons do not understand is that a "letter to the editor" is the editor's cross to bear for better or worse. A letter to the editor which contains libelous material will land the editor in court even though the letter was signed by someone else and the editor may have repudiated it in print.

The editor can also refuse to publish a letter for other reasons. He may not have room, for example. Or he may feel, rightly or wrongly, that the letter is misguided and can serve no good purpose and may cause vastly more grief than it is worth.

If you feel you must write one, dear readers, go right ahead. Chances are the News-Argus will publish it. But keep it level, logical and straight to the point. Keep personalities out of it as much as possible, keep hysteria out of it and document your case. And for heaven's sake, don't expect it to do the whole job for you. You can't get rid of a headache by reading the label on an aspirin bottle.

"You seldom hear of anyone being in a motor accident speeding to church," remarks an exchange.

Car owners of this district would be well advised to make certain their cars are kept locked when parked with parcels left in them. Thieves have been active in the district and it is better to be sure now than sorry later.

Sometimes a man with a clear conscience only has a poor memory.

Once it was said of money — "You can't take it with you" — Today, notice is given that you can't even keep it till you go.

What Others Say

HOW OLD ARE YOU?
(Owen Sound Sun Times)

The inroads of time are so camouflaged that it is getting harder to tell anyone's real age, perhaps even your own.

In case you are puzzled about your own age, the 'experts' have some suggestions. You're probably still on the sunny side of middle age if —

The mortgage on your home has 19½ years to run. You still call your wife by the pet nickname of your courtship days instead of aping the children by addressing her as "mother."

Being broke all the time now doesn't bother you so much, because you feel supremely confident that in another five years at most you'll double or triple your income.

You are not so old if it makes you feel more mature to smoke a cigar but you are so unused to doing this that you haven't learned to take the band off before lighting up.

Other standards for deciding you are not so old are if: You like to open

letters because you retain the hope that good news as well as bad news comes by mail.

You can overhear a conversation between two teenagers and understand at least half of what they are saying.

You don't remember how Shirley Temple looked as a curly-haired little girl, or Bing Crosby singing as one of The Rhythm Boys.

Who Shares The Tourist Dollar?

14.33 cents to motels and hotels; 16.4 cents to the resort operators; 19.2 cents for food, restaurants, etc.; 19.9 cents to retail and gift stores; 11.5 cents for automobile expenses, gas, oil, etc.; 18.7 cents for entertainment and 1.8 cents for angling licenses, boat rentals and guides.

In addition, management and their employees doing business directly or indirectly with those catering to the visitors, industry benefits by increased sales and employment. The tourist business is everybody's business.

Everybody is ignorant, only on different subjects.

Mr. and Mrs. Robert Wayne Hadley, Stirling R.R. 1, are pictured following their recent marriage in St. John's Anglican Church, Stirling. The bride is the former Margaret Lorene Morrow, daughter of Mr. and Mrs. Glenn Morrow, Stirling R.R. 4. The bridegroom is the son of Mr. and Mrs. Alton Hadley, Stirling R.R. 1.

Robert Wayne Hadley and Margaret Morrow Exchange Marriage Vows

St. John's Anglican Church, Stirling was the scene of a lovely summer wedding on Saturday, June 20th, when Margaret Lorene Morrow, daughter of Mr. and Mrs. Glenn F. Morrow, Stirling, R.R. 4, was united in marriage to Robert Wayne Hadley, son of Mr. and Mrs. Alton H. Hadley, Stirling, R.R. 1. The Rev. F. F. Downing officiated before a background of pink and white peonies and orange blossoms.

Miss Helen Morrow, sister of the bride, presided at the organ and accompanied the soloist, Miss Linda Anne Morrow, who sang appropriate wedding selections.

The bride, given in marriage by her father, Mr. Glenn Morrow, wore a floor-length bridal gown of white brocade satin, fashioned in Empire style. The A-line skirt featured an inverted front pleat. Her fingertip veil flowed from a crown of seed pearls and she carried a bouquet of white roses, mingled with stephanotis and trailing English ivy.

Miss Lois Morrow, sister of the bride, as maid of honour and the bridesmaids, Miss Joan McArton, of Stirling, and Mrs. Dale Geen, of Belleville, were identically attired in pale yellow street-length dresses, featuring the inverted pleat at front, similar to the bride's. They wore wedding band headresses with short over the face veils. They all carried nosegays of white shasta 'mums

with yellow centres.

The flower girl was Miss Heather Anne Brough, of Bancroft, cousin of the bride, who wore a dress similar to the bridesmaids, of broadtail satin. She carried a basket of coloured spring flowers.

Master Terry Bailey, R.R. 3, Stirling, nephew of the groom, acted as ring-bearer and wore a suit made of white linen.

The groomsmen were Mr. Ronald Hadley, brother of the bridegroom, while Mr. James Archdekin, Brampton, and Mr. David Sager, of Stirling, were the ushers.

A reception of 90 guests was held in the church hall where the bride's table was most attractive and centred with a three-tiered all-white wedding cake. The bride's mother received the guests wearing a navy blue crepe suit, navy hat, white accessories and a corsage of white carnations. She was assisted by the bridegroom's mother, who wore a sky blue lace shantung dress with set-in lace bodice, navy accessories and a corsage of pink carnations.

For the wedding trip to the West Coast, thence to Vancouver Island and by ferry to Seattle, Washington, the bride chose a white linen dress with the hemline accented with pink embroidery, pink accessories, and a corsage of pink Sweetheart roses.

Guests were present from Brampton, Barrie, Toronto, Ottawa, Ban-

croft and Elmville.

Previous to the marriage, the bride was honoured at miscellaneous showers given by Miss Linda Jones, at the home of Mrs. Dale Geen, in Belleville; by the Misses Joan McArton and Marilyn Anderson, at the McArton home in Stirling, and another at the home of Mrs. Jack Donohoe, Stirling, R.R. 4.

Mr. and Mrs. Hadley will reside on the Hadley farm at R.R. 1, Stirling.

Mr. and Mrs. Arnold Creaser Honoured

Mr. and Mrs. Arnold Creaser (nee Phyllis Twiddy) who have been in charge of the Wyevale and Waverly Churches for the past seven years have been transferred to Barrie.

On Tuesday evening approximately one hundred families met in the hall to honour and bid farewell to Mr. and Mrs. Creaser and presented them with a swivel chair and gave their two sons white shirts. The Wyevale U.C.W. gave them an electric fry pan. Waverly U.C.W. presented them with a fruit bowl, the Men's Club gave a picnic cooler and the Anglican congregation presented them with a star quilt. They also received many personal gifts which very sincerely expressed the highest esteem in which Mr. and Mrs. Creaser were held by their congregations and friends.

On Thursday evening a reception was held in their honour at their new home in Barrie. Mr. Creaser was in charge of the Ivanhoe circuit about fifteen years ago.

4-H Calf Club

The June meeting of the Stirling 4-H Calf Club was held on June 30th at the farm of Mr. Percy Reid, of Campbellford. The meeting was on judging and the group was divided into 3 smaller groups, the first one being first year members.

Mr. Wilks, of Campbellford Co-Op., presented two 4-H members with free bags of Calf meal.

Refreshments were served at the close of the meeting.

The July meeting of Salem United Church Women was held Wednesday afternoon with a splendid attendance and Mrs. Harold Holden as hostess.

Mrs. Everett Sine opened with a poem followed by the theme hymn and prayer. Psalm 90 was read responsively and the Lord's Prayer repeated. The members and visitors were extended a welcome by the President and the roll call was answered by a favourite hymn.

The bale was reported sent. Mesdames Lorne Hagerman, Tom Clements and Everett Sine were appointed as a committee to arrange for catering to a wedding. Cathy Wickens gathered the offering.

Mrs. Lorne Hagerman took charge of the programme. An appropriate scriptural poem was read, followed by a hymn and prayer by Mrs. Hagerman. Mrs. Frank McGee read the Scripture lesson. Misses Joyce and Linda Sine sang a duet. Mrs. Harold Holden then conducted the Bible study and discussion on the scripture

lessons.

Mrs. Bert Sine and Mrs. Stanley Keller gave readings and Miss Jane Clements favoured with a piano selection. A hymn and the benediction closed the meeting.

Mrs. Orval Jackson extended a vote of thanks to Mrs. Holden as hostess and all who contributed to the programme. Lunch was served.

Trenton Air Force Day Will Not Be Held This Year

Group Captain E. M. Butcher, Commanding Officer, R.C.A.F. Station, Trenton has announced that the Air Force Day scheduled for August 29th will not be held this year.

The decision, it was stated, was made necessary primarily because of the extensive construction planned for the Air Base area this summer. Construction is currently underway on the main runway, and No. 2 Highway. Construction will soon begin on

sidewalks and roads on the base. Group Captain Butcher expressed regret over the decision but said he felt assured the new additions and repairs would afford an opportunity for a finer Air Force Day in the future.

\$10,000 Damages To Earth Movers By Vandals

Vandals may have caused up to \$10,000 damage to construction equipment when they broke into a road contractor's yard north of Foxboro, over the week end.

Police made the estimate after surveying damage to two big caterpillar-track earth movers owned by the Boc Construction Company.

Both machines had been started then crashed together head-on. Police discounted the incident as the work of youthful delinquents.

"They would have to be somebody who knows how to operate that stuff," said an officer.

Boc is engaged in construction of the new Madoc county road route from Foxboro to Halloway.

OPP officers from Belleville are investigating.

Love is really a beautiful thing. It's just too bad that people have to get married and spoil it.

Funeral of Late Milton Hagerman

The funeral of the late Milton James Hagerman, of R.R. 3, Stirling, was held on Saturday, July 11th, in St. Paul's United Church, with the Rev. P. J. Hommeren officiating.

A vocal duet was contributed by Mrs. Harry Waite and Mr. Harry Brown.

The pallbearers were all nephews: Messrs. George Haggerty, Jim Hagerman, Everett Lake, Clarence Hagerman, Gordon Gay and Wesley Lake.

Interment was made in Stirling Cemetery.

On Thursday evening, July 9th, an L.O.L. memorial service was held at Duffin's Funeral Home.

**Garbage Dumping
By-Law No. 866
Twp. of Rawdon**

A By-law to provide for prohibiting the Dumping or Disposing of Garbage, Refuse or Domestic or Industrial Waste of any kind in certain defined areas in the Corporation of the Township of Rawdon.

Pursuant to the Municipal Act, R.S.O. 1960, Chapter 249, Section 379, Subsection 1, Paragraph 112.

Whereas the Corporation of the Township of Rawdon finds it necessary to prohibit the dumping or disposing of garbage, refuse or domestic or industrial waste of any kind in certain defined areas.

Be it therefore enacted by the Municipal Council of the Corporation of the Township of Rawdon: —

1. That dumping or disposing of garbage, refuse or domestic or industrial waste of any kind is prohibited in the following defined areas:—

(a) All unopened road allowances in the Corporation of the Township of Rawdon.

(b) All opened or used road allowances in the Corporation of the Township of Rawdon.

2. That this By-Law shall come into force and affect immediately on and after the final passing thereof.

Every person or persons guilty of any offence against this by-law shall be liable upon conviction to a penalty not exceeding the sum of \$50.00 for each offence exclusive of costs and any default of payment shall be liable to imprisonment for any term not exceeding six months.

All prosecutions for offences against this by-law shall be under the Summary Convictions Act, and all penalties and costs imposed having offence against this by-law recoverable under the Summary Convictions Act.

Passed in Open Council, this 13th day of July, 1964.

Stirling Lodges Attend Orange Walk at Marmora

Flying Union Jacks and Red Ensigns by the score, Orangemen at Marmora Saturday heard an MP charge that the national flag issue was the most divisive controversy in a generation.

Rodney Webb, Conservative member for Hastings-Frontenac warned that the issue seemed part of a deliberate "rooting out of distinctive terms and symbols that bind our nation to its past."

"It is our flag now, will it be the crown tomorrow or our Commonwealth association the day after?" He said the removal of the Red Ensign with its symbol of three crosses is "consistent with current leftist campaigns throughout America — the same as the removal of prayers from schools and divorcing our education from religion."

"It is clear to see... that far from being a unifying move it is perhaps the most divisive action taken in a generation in Canada."

Mr. Webb was principal speaker to a gathering of nearly 60 lodges in Marmora for the traditional July 12th walk. He spoke to the Orangemen

after they gathered at the fair grounds following an hour-long parade through the village.

Lodges from across Eastern Ontario called out their members for the big event — staged in brilliant sunshine.

Drums Boom

Orange drums began booming across the town early in the afternoon as the members warmed up the atmosphere before launching the walk.

However, the traditional five-and-drum cacophony was liberally sprinkled with bagpipers. For good measure there even was a small saxophone ensemble.

"King" for the day was Murney Bateman, of Centre Hastings Lodge, Spring Brook.

Busiest spot at the fairgrounds was the arena, transformed into a dining hall to serve the marching members before and after their walk.

Local Orange notables included Lorne Hagerman, Harold R.R. 1, Grand Master of Ontario East; and Fred Bateman, Stirling, Past Grand Master, on hand to greet and address the throng.

With Mr Webb on the platform were Elmer Sandcock, M.P.P. Hastings West and William Shannon, Marmora reeve.

Monthly Meeting Rawdon Council

Rawdon Township Council met on July 6th with the members all present.

Morton and Morgan that the account for Mr. H. R. Tompkins of \$104.63 be paid and a letter of appreciation be forwarded by the Clerk for the good services given over the period of thirty years.

Morgan and Clancy that the Spring Brook street lights for \$43.63 be paid.

Morton and Johnston that the Registry Office be paid \$5.20 for forwarding list of changes in property.

Morgan and Clancy that Alton Hadley be paid \$5.16, being the sales tax on wire purchased.

Morton and Clancy that the re-allocation of school section be placed on file.

Johnston and Morgan that the following relief vouchers be paid: Treasurer Township Sidney, \$75.41; Treasurer City of Belleville, \$3.50; Treasurer Prince Edward County, \$32.50; Bird's Food Market, \$100.00; Frank Stanley, rent May and June, \$36.00; Hatton Fuels, \$17.50; Supplementary Assistance, \$20.00.

Johnston and Morgan that the hydro for the Town Hall for \$4.05 be paid.

Morton and Johnston that Ed Colden be paid one valuation sheep fee of \$3.00.

Clancy and Morgan that Harvey Couch be paid \$21.00 for painting and fixing signs at Rawdon Township Dump.

Morton and Morgan that Albert Campbell be given permission to keep the Rawdon Township Dump burnt with no charge to Rawdon Township.

Clancy and Morgan that 100 dozen safety helmets be bought for the Township road men and \$2.00 be collected from each man while working on Township. When finished the helmet may be turned back to the Township.

Morgan and Morton that the Road Supt. pay sheet for June for \$7016.58 be paid.

Council as a whole went into a

committee on by-laws and By-law No. 867 was passed for the building of a new Fire Hall for the housing of the new fire equipment.

Getting Away Is O.K., But Get Home, Too

The Ontario Department of Transport will try this summer to promote safe driving by reminding motorists that while getting away from it all is wonderful, it's nice to get home in one piece.

The Department's advertising and publicity campaign will be built around the theme, "Wouldn't it be nice if everybody got home — drive carefully this week end". And the emphasis, said Honourable Irwin Haskett, Ontario's Minister of Transport, is on the word "everybody".

"More people are on the highways, travelling greater distances, in July and August than in other months. Some of them don't pay enough attention," said Mr. Haskett.

The special hazards include fatigue due to driving longer than accustomed distances; heavier traffic; unfamiliar roads; overloaded cars; and the effect of heat and speed on tires and other parts of cars.

Stirling To Have All Number Telephone Service

Telephones in the Stirling district will gradually be converted to All Number Calling (A.N.C.).

As the name suggests, these are simply "all number" telephone numbers, a new way of expressing existing numbers. Replace the letters with the corresponding figures on the dial and you have the AC number. For example, EX 5-1234 becomes 395-1234. (E is 3 and X is 9 on your dial).

Going ANC will be a gradual process. Bell Telephone employees will soon begin distributing the new look telephone numbers to subscribers. Information operators will change their master directories to ANC and the 1965 district telephone book will list all numbers the ANC way.

Donald Curry, local Bell Telephone manager, points out that ANC is a necessity brought on by the fantastic increase in telephone since World War II. For almost the first time, telephone growth does not mean an extra digit to dial. ANC, he said, provides the most telephone numbers with the least change and inconvenience to customers.

In addition to providing more telephone numbers, ANC eliminates the confusion between the letter "O" and "zero" and between the letter "I" and the figure "1" and resulting errors that have plagued dial service since it began, the manager pointed out. Other common errors, caused by misspelling and mispronouncing exchange names, will be relegated to history.

There is still another advantage to ANC and one that will facilitate world wide dialing in the future: alphabets and letter arrangements on dials vary widely, but numbers form an internationally common language. Even today, 43 million dial telephones in 100 foreign countries use All Number Telephone numbers.

THE BIBLE TODAY

University students and church young people joined in a neighbourhood Scripture distribution campaign in Ceylon. Starting with a study of the Christian Scriptures, the youth felt the urge to give these books wider circulation.

Three mixed groups of students and youths from the area churches, after meeting for worship and Bible Study, visited from door to door in Ceylon, selling packets of Scriptures. Twenty-five packets were sold in one campaign, totalling 400 copies of various portions of the Bible. Each purchaser of a packet is expected to re-distribute to fifteen people. In this manner the Scriptures are given very wide distribution.

During the few months it has been

operating this Ceylon House Scripture Evangelism project has distributed 772 packets containing 12,352 portions.

LOWER TRANS-CANADA LONG DISTANCE RATES

You've probably read the news stories about the lower Trans-Canada Long Distance rates that went into effect last month. It occurred to me that reductions have been implemented so often over the years that they're in danger of not being "news" anymore? However, they're refreshingly different, considering the price trends of just about everything else.

Trans-Canada Long Distance Service is made possible by close co-operation among the various telephone companies over whose territory a call travels. Before 1928, there was no interconnection of lines between the main Canadian telephone companies, so a call between Stirling and, say, Edmonton, had to travel over American lines. By 1932, however, an all-Canadian East-West route was completed and, of course, continued expansion has occurred since then. Today your call may speed over actual telephone lines, or through the air via microwave (alongside television programs!), or over radio-relay systems that reach out to isolated sites, some well beyond the Arctic Circle. Telephone companies certainly don't just sit on the accounts collected from customers; money is continually ploughed back into the Canadian economy to provide better and better service, and a higher standard of living for all.

TAILORED TELEPHONES

On the average, masculine fingers are 10 per cent longer and 20 per cent wider than feminine fingers. Also on the telephone, men's voices are two decibels louder than women's, and men tend to talk even louder when talking with other men. "Who cares?" you ask. Well, telephone engineers care very much. They even care about the average distance between the human mouth and ear; the handset must "fit" both for ideal transmission and reception (the mouthpiece should be held from one-half to one inch from the lips). Careful study of these human factors has led to the best possible design for items of telephone equipment.

WHERE YOU ARE?

Ever notice how some Stirling folk answer the phone promptly when you call them? Well, they might just always be right beside the telephone. But it's more likely that these prompt-answerers have discovered the convenience of having extension telephones where they are. In the kitchen, for example, where the lady of the house spends so much time. She can make and take calls with ease... keep an eye on what's cooking at the same time. Some people find it handy to have extension telephones in the family room, or Dad's workshop. And, of course, a bedroom extension is not only convenient, it adds a reassuring sense of security, knowing a phone's close at hand. Extension phones come in three models—wall phone, regular desk set, and the little Princess with its glowing night-light. Why not find out how convenient it would be to have extension phones in places handiest in your home. All it takes is a call to our Business Office, or ask the telephone service man.

NEWS FOR THE BUSY FARMER

CANADIAN CATTLE TO RUSSIA

Gift of three top Canadian dairy cows could open up a new market for this country's dairy cattle. Agriculture Minister Harry Hays predicted recently.

Three Holsteins — to be selected from leading Canadian herds — will leave from Montreal about the end of August.

Their destination will be the Khabarovsk State near Krasnodar, in the south of Russia.

The offer was made by Mr. Hays when he visited the state farm last year during a tour of various European countries examining potential markets.

"I am convinced that the perform-

ance of the Canadian Holsteins will impress the Russians and they may well become regular customers for our dairy cattle — just as they are now for our Herefords," the Minister said.

He felt there is a big potential market in the Soviet Union for Canadian dairy cattle.

The Holsteins will sail from Montreal aboard the freighter Zymbryia.

Also on board will be 590 Herefords — 160 bulls and 430 heifers — now being purchased by a Soviet delegation. It will be the largest single shipment of pedigree cattle out of Canada. A contract for the animals has been signed with the Alberta Hereford Association.

The Soviet visitors are also buying 65 Lacombre hogs in Alberta.

This is the fifth year that the Soviet Union has bought Herefords in Alberta and brings to 1,828 the number purchased since 1960.

OF MANY THINGS

(By Ambrose Hills)

YOUNG MAN'S PREDICAMENT

I know a young man who entered the working force the other day. I don't envy him the decision he feels he must make.

In his opinion, he is joining a society in which he must strive to be very rich, or settle for being quite poor — a freeloader in a country determined to live high off the hog. He feels we older folks are loading society with services and costs. We will enjoy some of these services for a few years, quite cheaply. He will have to pay for them, quite dearly.

He is a talented young man, with two bents: either school teaching or writing poetry. As a teacher, he would be in the middle-income group, and every service would be a charge against his pay cheque. It is his conviction that the way things are going the taxes and other charges he would have to pay from his teaching salary would allow him to live in genteel poverty. He has little taste for that.

On the other hand, he reasons that times will be excellent for the poet — because poets have little income against which governments can levy taxes. He feels that innumerable services would be his for free — paid for by the teachers, farmers, professional people, the great body of the middle class. He would live in poverty, perhaps, but with services fit for a king pressed upon him, plus a Canada Council grant now and then so he could live it up a little.

I pointed out to the young man that he had not discussed his other option: becoming quite rich. He said that he had abandoned that one, because he had no talent for finance, and his rich uncle was looking quite sturdy these days. If wealth is thrust upon him, he feels he can survive it, but doubts his ability to go out and get it for himself.

At the moment, he is rather set on becoming a poet and living in bohemian poverty, cared for by a society more concerned about his welfare than it would be if he were teaching the children of the next generation. Perhaps he is right. Looks like a good decade for poets.

Quick Can. Quiz

1. What modern Canadian coin recently sold at a collector's auction for a record price of \$6,800?
2. Does the personal income tax provide two-thirds, one-half or one third of total federal government revenues?
3. For the U.S. the value of imports of fully-manufactured goods is \$37 per person a year. What is the comparable figure for Canada?
4. May a Canadian be knighted by the Queen?
5. Of the manufacturing industries, which ranks first in number of employees?

ANSWERS: 1. Manufacture of clothing; primary textiles ranks second. 3. For Canada it is \$237 per person per year. 1. A 1921 fifty cent piece. 4. In 1945 a House of Commons committee recommended that residents of Canada receive only honours that do not involve titles. 2. Last year, less than one-third. (Material prepared by the editors of Quick Canadian Facts, the pocket annual of facts about Canada).

Mainly because of the larger population and larger market, per capita output wealth in the U.S. is about 30 per cent higher than in Canada; the average factory wage is \$85 a week here and \$110 there.

OUTDOOR EATING — A FAVOURITE CANADIAN PASTIME

What could be more fun than a picnic on a hot summer day? Whether you are planning an extended trip, a week end jaunt to a fishing stream or an afternoon hike to your favourite picnic spot, sensible pre-planning is necessary to make your meals a success.

Why not reserve a handy area in the house for picnic supplies. Paper cups and plates, napkins, cutlery, and outdoor cooking equipment should be gathered together in one spot. Items that store well at room temperature such as canned goods, spreads, sauces, and drinks, packaged biscuits, and potato chips can be added to the collection.

Freezers can be used to store sandwiches, cooked meats, and home baked pies, cakes and cookies for outdoor fare. Remove from the freezer just before leaving and by the time you reach your picnic spot the frozen food will be ready to use.

Remember, when packing food to be carried any distance, foods should be kept hot or cool, never lukewarm, to lessen the danger of food spoilage. There are many different types of thermos jars and coolers on the market to suit every budget and taste.

The same principles of menu planning are used whether cooking-out-of-doors or indoors. Outdoor meals need to be as carefully planned for appetite appeal and good nutrition as other meals. Simplicity and ease of preparation are the keywords for successful outdoor meals.

It is wise to have only two courses. Start with a meat or main dish served cold or hot. With the meat, serve a vegetable and/or salad, and bread or rolls. The dessert should be simple. Fresh fruit in season is a perfect choice. Cakes and cookies are welcome, too. Milk or juice for the children and a suitable beverage for the adults complete the menu.

Salads are a popular choice for a picnic. They should be included often. They are so convenient since they can be prepared ahead. This gives more time for fun and enjoyment for the whole family. Be sure to chill all salad ingredients before taking to the picnic then pack in foil or polyethylene bags, keeping the greens cold to assure crispness. Just before serving add the salad dressing.

Substantial salads are excellent for filling up those empty spaces when appetites are sharp. The following two picnic salads — complete meals in a bowl, are suggested by the home economists of the Consumer Section, Canada Department of Agriculture. Either of these "travelling salads" can be featured as the main dish, or

a hearty accompaniment to hot barbecued meats.

PICNIC SALAD

"The combination of baked beans, wieners and crispy cabbage makes this salad substantial outdoor fare".

- 1 can (20-ounce) baked beans
- 1 tablespoon finely chopped onion
- 2 tablespoons vinegar
- 2 cups prepared mustard
- 2 tablespoons chopped sweet pickle and sliced
- 3 cups finely shredded cabbage

Combine all ingredients except cabbage. Chill. Just before serving, add cabbage and toss lightly. 6 servings.

- 1 1/2 cups macaroni (elbows, shells, bows, wheels, etc.)
- 1 1/2 cups diced cooked ham
- 1 cup shredded carrots
- 1 cup thinly sliced celery
- 1/2 cup thinly sliced green tops
- 1 small clove garlic, crushed (optional)
- 1/2 teaspoon salt

1/4 teaspoon pepper
1 cup salad dressing or mayonnaise

Cook macaroni in boiling salted water until just tender. Drain and run cold water through macaroni to chill and separate pieces, then drain thoroughly. Combine macaroni, ham and vegetables and toss lightly. Chill. Sprinkle with salt and pepper, add salad dressing and toss to coat pieces. Serve on lettuce and garnish with hard-cooked or devilled eggs and tomato wedges. 6 servings.

District News Important

Proof that district news is important was further evidenced this week. Mr. and Mrs. Bruce Melville, of Sarnia, Ont., who attended the funeral of the late John Pounder last week, remarked that they read the News-Argus from "cover to cover".

New Federal Building For Trenton

Hon. Jean-Paul Deschatelets, Minister of Public Works, has announced the award of a \$412,000 contract to T. A. Andre and Sons Limited, of Kingston, Ont., for the construction of a Federal Building at Trenton.

Linda Mayhew Named Best All Round Student

Congratulations are extended to Miss Linda Mayhew, daughter of Mr. and Mrs. X. P. Mayhew, of Picton, and formerly of Stirling, for being named Best All Round Student in Grade XII at Prince Edward Collegiate, Picton. Winners are selected by a committee made up of both students and staff members and goes to the student who has combined outstanding achievement in three fields — studies, athletics and some other field of extra-curricular activity. Linda Mayhew was assistant editor of the year book, and made a valuable contribution in athletics as a referee.

Meeting Held To Discuss Possibilities Construction of Entirely New Arena

F. A. Lashley, Ont. Dept. of
Agriculture Met Fair Board
and the Arena Committee

Investigation into all aspects of the problem of improving arena facilities for Stirling and district continued during the past week. On Tuesday, July 21st, Mr. F. A. Lashley, of the Ontario Department of Agriculture, visited the community and met with a representative group of the Arena Committee and Stirling Fair Board.

Mr. Lashley outlined many interesting and informative details regarding the construction of an entirely new building which would serve both the arena and agricultural needs of the community. Such a building would have to be erected on or adjacent to our local Fair Grounds.

The Arena Commission which has been investigating all possibilities has arranged to send representatives to the Fair Board meeting on Friday, July 31st. It is hoped that the Fair Board will discuss the project possibilities and give an indication of their thinking to the Arena Commission at that time.

The chief problem facing the Arena Commission is to obtain all possible facts, figures and information on the several possibilities for arena improvement. Once this data has been obtained, it will then be a matter of deciding on the proper course of action to take.

An entirely new building would require a considerable amount of money to be raised locally. At the same time, adequate renovation of the present arena would also require a major expense which would still leave the community with a comparatively old building. The Arena Commission intends to obtain all the information it can on both alternatives before adopting a positive plan.

It is expected that the Arena Commission will hold another meeting in a very short time to review all the facts and make a decision. While action at this stage may seem to be very slow, the Committee feels that it should investigate every possibility within reason. There seems to be very little doubt in the minds of all citizens that some positive action must be taken to improve our arena facilities. It remains to be decided what is the best possible course of action. It is the hope of the Arena Committee that a final decision can be made very shortly and prompt action started to give our district proper arena facilities.

Replanking Bridge

Work commenced this week on installing new planking on the upper bridge over the Mill Pond dam. The project is being done by County of Hastings workmen.

All About A Community Service

A group of happy youngsters braved the terrific heat last Thursday afternoon to put on their annual Penny Carnival at the local playgrounds. The entertainment consisted of two or three short plays; a bingo game; also a novel peep-show, and well patronized was the palm reading tent. If anyone was so inclined they could view the eighth wonder of the world — "The Woman with a Thousand Pockets."

These enterprising children had ice-cold delicious fruit drinks on hand for thirsty customers and also a wonderful assortment of mouth-watering home-made candy.

It was a shame that more adults did not attempt to encourage the youngsters' efforts. We trust it was the heat that kept them home and not lack of interest.

This Summer Playground sponsored by our local Rotary is a Community effort that should be recognized and appreciated by more of the village population, especially the parents that send children there for a month during holidays.

Much credit is due the two young supervisors who have worked so hard this year to keep between fifty and seventy-five young people of various ages busy and happy during many vacation hours.

Take a bow Misses Judith Patterson and Sue Bastedo, and thanks Rotarians.

Bobby Hull Here Tonight

Bloomfield and Stirling Intermediates clash in a scheduled Trent Valley League Softball fixture here tonight (Thursday) at the Henry St. Diamond at 8.30 p.m. It has been announced that Bobby Hull, All-Star forward with the Chicago Black Hawks, will be on the mound for the visitors.

Ball fans should make it a point to turn out tonight and give the locals their support.

Recent Callers At News-Argus

Recent callers at the Stirling News-Argus included Mr. and Mrs. Bernard Broke and Judy and Denise Mitchell, of Minburn, Iowa, publishers of the Minburn News. They were overnight guests of Mr. and Mrs. Maurice Bell.

Local and Personal

Mrs. Mabel Brooks spent last week in Detroit visiting Mr. and Mrs. Marshall Conley.

Mr. and Mrs. Carl Potter and family spent the past two weeks holidaying at the east coast.

High School Board July Meeting

The Stirling-Rawdon District High School Board met on Monday, July 20th with A. R. Mallory in the chair and supported by Messrs. D. W. Rodgers, Jas. Johnston, Harry Morrow and Dr. R. B. Murray.

Correspondence was received from Department of Education, Toronto, re letter of permission on D. Hroncek, G. Smith, G. McKeown, N. Price and E. Culp; Principal R. T. Hayes, re English text books; Mrs. L. Potter, re resignation.

A lengthy discussion ensued in regards the English text books and it was resolved that the Board give the Principal the approval to use the following: English text books on motion of Jas. Johnston and Harry Morrow: Grade 9 English — Merchant of Venice, Eagle of the Ninth, Prester John, Word Magic, Classical Mythology, Rip Cord and Other Stories.

Grade 10 English — Twelfth Night, Grenmantle, Pied Piper, Realms of Gold and Stories to Remember; French, Plaisir de Lire.

The resignation of Mrs. Lillian Potter was accepted and the Secretary instructed to advertise for a School Stenographer in the News-Argus and Belleville Intelligencer with closing date to be August 12th.

Mower Purchased
The matter of a rotary mower for the school tractor came up for discussion. A salesman from A. Hadley Ltd. was in attendance and gave the Board members prices on a mower and snow blade. On motion of Don Rodgers and R. B. Murray it was decided to purchase this equipment from A. Hadley Ltd.

Tour of School
Board members took a tour of the school to see what rooms needed to be redecorated. On motion of Jas. Johnston and R. B. Murray, Harry Morrow was given authority to have the necessary repairs and painting done.

The following accounts were passed for payment:

Medex, \$24.53; Dustbane Products, \$33.06; Bro. Dart Ind., \$31.84; University of Toronto Press, \$2.50; Superior Propane, \$24.39; Times Inc. The Board adjourned to meet again on Monday evening, August 17th.

Breaks Leg

Friends of Miss M. Osborne, of Henry Street, will regret to learn that she is a patient in Belleville General Hospital, as the result of a fall in her yard. She had the misfortune to sustain a broken leg. Latest report is that she is progressing satisfactorily.

Home Entered

Thieves were active in the Village on Monday night, July 20th, when the home of Mr. and Mrs. Burton Woodbeck, Wellington Street, was ransacked. Numerous keepsakes and a small amount of money were reported missing. Mr. and Mrs. Woodbeck were away from home at the time. Police are investigating and it is hoped that arrests will be made shortly.

Army Worms Reported In District

Army Worms, a destructive pest in grain and corn fields, are present in the Stirling area. Several farmers have reported outbreaks in their crops and farmers would be well advised to examine their grain and corn fields immediately. The worms eat the leaves and later nip off the head of cereal grains. Fields may be damaged before the pest is noticed.

Engagement

Mr. and Mrs. Donald D. Kerr, of Campbellford R.R. 2, announce the engagement of their daughter, Beatrice Donald, to Mr. Brian William Runions, son of Mr. and Mrs. Douglas Robertson, of Campbellford. The marriage to take place at Zion United Church, Petherick's Corners on August 14th, 1964, at 2.30 p.m.

Local Airport Boon To Businessmen

Bert Jones, dealer for Blue Bird buses, last week saw the importance of a local airport. Mr. R. L. Onarra, of Bancroft, flew to the Oak Hill Flying Club Airstrip where he met Mr. Jones to discuss the purchase of a bus. Let's all get behind this project and make this club and airport a success. It took Mr. Onarra only 30 minutes to fly from Bancroft to Stirling.

John Svoboda, son of Mr. and Mrs. John Svoboda Sr., Mill St., left on Wednesday, July 22nd to take part in the 15th Annual United Nations Pilgrimage for Youth.

Sponsors of the trip are Odd Fellows and Rebekah Lodges of Madoc District No. 45, including lodges from Madoc, Spring Brook, Tweed, Thomaburg, Stirling and Campbellford.

John Svoboda is among 40 students from Ontario who are travelling to New York by bus.

Attend Shriners Convention

Shriners Burton Woodbeck, Wesley Beatty and Harold West, of town, were among the 150,000 Shriners who attended the 90th annual Imperial Council sessions held last week in New York City. Members of the Ancient Arabic Order of the Nobles of the Mystic Shrine from all over Canada, the United States and Mexico were in attendance.

Loses Arm In Accident

When his arm was caught in the gears of a forage harvester at the Metcalfe Foods Ltd., Napanee, on Monday, July 20th, Robert Danford, of Halloway, suffered injury sufficient to require amputation of his forearm.

Mr. Danford, an employee of Wm. G. Latchford Feeds, was clearing the machine which grinds ensilage. His hand was caught and drawn in.

After attention by a doctor at the scene, he was rushed to Kingston Hospital by ambulance. Amputation of his arm just below the elbow was necessary.

Mr. and Mrs. Frank E. Hutchinson Celebrate Golden Anniversary

Mr. and Mrs. Frank E. Hutchinson, Stirling R.R. 3, returned home on Tuesday following a holiday week-end with relatives at London, Ont.

Open House
On Wednesday, July 22nd, they held "open house" at their home at Anson Junction and refreshments were served on the spacious lawn.

Mrs. Hutchinson received her guests wearing a dress of turquoise flowered nylon organza over silk taffeta with a corsage of bronze baby mums. She also wore costume jewelry, a gift from a cousin in Bermuda. Receiving with the bride and groom of fifty years were Mr. and Mrs. Stanley Williams, Mount Pleasant; Mr. and Mrs. Laird Thomas, of London; Miss Dorothy Moore, of Ottawa, and Mr. and Mrs. Albert Hutchinson, of Woodstock.

During the afternoon and evening approximately two hundred and twenty people signed the guest book. Those in charge were Mrs. Edgar Morrow, Miss Lenora Williams and Miss Bessie Hollinger, all of Stirling; Mrs. Ewart Rupnow and Mrs. Arch Schutt, of Detlor.

The guests were welcomed as they arrived by Mr. Ross Hoard, Mount Pleasant; Mr. Ray Williams, Campbellford; Mr. A. Hutchinson, Woodstock; Rev. Elgie Joblin, Toronto;

Allan Fletcher, Kent Thomas, Larry Jeffs, Brock Richardson, Douglas Potts and Donald Potts. Dinner Party.

At the supper hour twenty-nine guests were entertained to dinner by Mr. and Mrs. Hutchinson with relatives and friends in charge.

Guests at the open house were in attendance from London, Woodstock, Oakwood, Kingston, Detlor, Wellington, Havelock, Belleville, Trenton, Campbellford and all nearby points.

The Hutchinsons received one hundred and eighty congratulatory cards and special greetings from Hon. Lester B. Pearson, Hon. John Diefenbaker and Reg Webb, M.P.

They were the recipients of a large array of lovely gifts and many

Annual Rotary Fair And Street Dance Proved Most Successful

Stirling Council To Meet Tuesday

Stirling Village Council will hold its regular monthly meeting on Tuesday, August 4th at 8.00 p.m., due to Monday being a public holiday. Parties with business to bring before Council are asked to note the change of date.

John Ackers In Hospital

Mr. John Ackers is a patient in the Oshawa General Hospital recovering from a heart condition.

Buys Restaurant In Stirling

A business change of interest was completed recently when Mrs. Martha MacConnell sold her restaurant known as "Martha's Tea Room" to Mr. and Mrs. A. Endicott, of Belleville. The new owners have redecorated the premises and are operating the business under the name of "A and M Lunch Bar." Mrs. Endicott is a daughter of Mr. and Mrs. Wilbur Johnson, Emma Street.

Engagement

Mr. and Mrs. Ira P. Edwards, of Bonarlaw, Ontario, are pleased to announce the engagement of their oldest daughter, Deanna Mae, to Edmund Delbert Fleming, son of Mr. and Mrs. Delbert A. Fleming, Spring Brook, Ontario. Marriage to take place August 22nd, 1964, at one o'clock in St. Mark's Anglican Church, Bonarlaw, Ontario.

Large Crowd Gives Splendid Patronage For Various Games—Draws Were Made

The Rotary Fair and Street Dance held on Monday night, July 20th, proved quite successful and President Jack Weatherill and his fellow Rotarians are delighted with the generous patronage accorded them.

The street was made ready in the late afternoon and conditions were ideal. The net proceeds amounted to several hundred dollars, which will be used for the Club's Crippled Children's work and other benevolent activities.

A bingo game did a thriving business, while a shooting gallery, fish pond, coin throw and refreshment booths were well patronized. Several Rotary Anns assisted the Rotarians in the various booths. Music for dancing, round and square, was provided by Don Armstrong and his orchestra.

Merry-Go-Round
A merry-go-round supplied through the courtesy of Harvey Couch, provided much amusement for the kiddies.

Prize Winners
In the draw for cash prizes the winners were as follows: \$100.00, Gary Palmer, of Belleville; \$35.00, Frank Bailey, Stirling R.R. 3; \$15.00, D. M. Armstrong, Stirling.

R. A. Patterson sold tickets on a piece of luggage which was won by Mrs. Edwin Warren.

The Rotarians would like to express their thanks to the non-Rotarians for their help and assistance in the various booths at the Street Fair.

Enjoy Bus Trip

On Sunday, July 26th, a busload of Oddfellows and Rebekahs from Stirling and Campbellford journeyed to Barrie to visit the Oddfellows' Home. The home is beautifully situated near Lake Simcoe and is maintained by the Oddfellows and Rebekahs of the Province of Ontario. After sharing their lunch with the brothers and sisters there, the group was taken on a tour of the buildings.

Daniel Harris Drowns At Wallaceburg

Stirling and district friends were shocked to learn on Thursday, July 23rd of the sudden death of Andrew Daniel Harris, of Wallaceburg, Ont., as the result of a drowning accident. He was in his 17th year. During his stay here "Dan" as he was known to his friends, was very popular and was an outstanding member of the Juvenile Hockey team which reached the Ontario finals. Many of his former school mates and friends from this district attended the funeral on Monday.

Son of Mr. and Mrs. Andrew Harris, he was a resident of Concession 18, Chatham Township.

He was a former student of Holy Family and Wallaceburg District High School and for the past year attended the Stirling-Rawdon District High School.

Surviving besides his parents at Wallaceburg, is a brother, Douglas Harris, of Stirling.

The funeral service was held from the Eric Nicholls Funeral Home, Wallaceburg, on Monday morning, July 27th, to Holy Family Church for Requiem High Mass.

The pallbearers were Messrs. Bob Donohoe, Bob Morrow, Peter Bosiak, Ken Smith Doug Potts, Glen Hagerman and Robert Luery, all of Stirling, and Murray Winters, of Wallaceburg. Interment - Riverview Cemetery, Wallaceburg.

WHAT TO DO IN CASE OF FIRE

What would you do if you suddenly discovered fire in your home or place of business? This is a question everyone in Stirling should be able to answer in an instant. Members of Stirling Fire Department feel this is a good time to enlighten residents as to the procedure.

It is very important that you keep the Fire Department number over your telephone—it is EX 5-2554. After you dial, telephones of three members of the brigade are rung at the same time. The one who answers, takes your message and activates the siren at the fire hall. The first group to arrive at the fire station, sees that the whereabouts of the conflagration is written on a large blackboard and they start out with the truck. The others are expected to follow up immediately.

With the modern equipment and Mutual Aid assistance, you are offered the best fire protection a village of this size can provide. But you can't enlist their help if you don't know immediately what number to dial. So keep that EX 5-2554 number in a place that is conspicuous.

A TAXPAYER'S CREDO

MY TOWN is the place where my home is found, where my business is situated and where my vote is cast.

It is where my children are educated, where my neighbours dwell, where my life is chiefly lived. It is the home spot for me.

My town has the right to my civic loyalty. It supports me and I should support it.

My town wants my citizenship, not my partisanship; my friendliness, not my dissension; my constructive suggestion, but not my destructive criticism; my intelligence, not my indifference.

My town supplies me with protection, trade, friends, education, churches, schools, and the right to free moral citizenship. It has some things that are better than others; the best things I should seek to make better; the worst things I should help to improve.

Take it all-in-all, it is my town and it is entitled to the best there is in me.

CORNY BUT TRUE

The trouble with advice is that if it's any good, it's apt to sound corny.

Take, for example, what a highly successful businessman told a graduating class in a commencement address the other day.

One: To take pride in their work, to develop real skill, to demand of themselves the very best they could possibly do and more than what was required.

Two: To be dependable — to be where they're supposed to be doing what they're counted upon to do, and to do it so unfailingly that it would never occur to anyone to doubt they would do it.

Three: To be loyal to their trade, their job, their employer and their principles. The speaker pointed out that the four loyalties aren't nearly so incompatible as many people believe.

This advice, of course, can be written off as pure corn from Squaresville. But a lot of very successful and contented people have made it work. —St. John Telegraph-Journal.

Monday, August 3rd will be observed as Civic Holiday in Stirling, and all places of business will be closed.

A bachelor is a man who never makes the same mistake once.

If you do not put your shoulder to the wheel you may find your back to the wall.

People ask how to avoid worry. The theory of many seems to be to borrow and get trusted all they can, and then let their creditors do the worrying.

A membership in a community organization establishes you as a live citizen who has the welfare of the home town at heart.

Telling children that medicine is candy may persuade them to take pills without fussing but they might take a dangerous overdose later in the belief that it will not harm them. The National Safety League of Canada recommends some other, safer means of persuasion.

Do You Remember?

TWENTY-FIVE YEARS AGO

ISSUE JULY 27th, 1939

New Books At Public Library

For your summer reading enjoyment the following new books are on the shelves and more, of course, are on order.

For young readers, "TV Career Girl", "The Grand Slam Kid", "Daredevils of Niagara", "Mouse Mountain", "The Lighthouse Mystery" and "I, Keturah", "Carloti Joins The Team", "Carloti Takes The Wheel" and a new edition of Beatrix Potter's "Tale of Peter Rabbit", which fits little hands.

Among adult non-fiction books, "Cooper's Creek", by Alan Moorehead, who gave us "The White Nile" and "The Blue Nile", is avidly read. There is also "The Pearson Phenomenon", "Song of The Reel", "Vintage Cars In Colour", "A Winter in Nepal", "Calypso Islands" and "My Heart Has Seventeen Rooms", a book about India and useful to those groups studying about India this year.

New adult fiction books include these excellent titles: "Dead Water", by Ngaio Marsh, "The Martyred", by Richard Kim, "The Wapshot Scandal", by Cheever, "The Last Enemy", "The Keepers Of The House", "Flood", by Robert Penn Warren, "The Officer Factory", "The Concubine", by Nora Lott, an Ellery Queen novel, "And On The Eighth Day", and a Perry Mason thriller, "The Case Of The Daring Divorcee", by Erle Stanley Gardner.

For those people who can't enjoy their holidays without some books, we are making a temporary ruling by which six books may be borrowed for six weeks without the usual fines being applicable.

The library will be closed for holidays from August 2nd to August 16th, re-opening on Tuesday, August 18th.

Township Grader Collapses Healey Falls Bridge

The Seymour Township grader collapsed the Healey Falls bridge late Wednesday afternoon, July 22nd. The bridge, thus, for the second time in two seasons, is closed to traffic, and will likely remain so for some time.

The grader which was crossing from east to west from the swing bridge side of the river towards the Seymour West end, gradually settled into ten or twelve feet of water, leaving only a small portion visible as the planking gently settled.

Mr. Leonard Maybee, operator of the grader, was driving it from the Stanwood end to the west end, and had nearly completed his crossing when the occurrence took place. He had negotiated the new section which was put in last year as part of the old structure, gave way. Mr. Maybee said he abandoned the vehicle when his pockets were filled with water.

The bridge is part of the Counties road system and should be entirely replaced. It is narrow, a general hazard, and has outlived its usefulness as a part of a busy road system. —Campbellford Herald.

COUNTY OF HASTINGS

Tenders for Fence Wire Metal Posts and Farm Gates

SEALED Quotations or Tenders, plainly marked as to contents, will be received by the undersigned at the address below, up until NOON on

THURSDAY AUGUST 6th 1964

for the following materials:

1. For Supplying approximately 1500 rods of eight strand, 42 inches high fence wire, and for standard 14 ft. farm gates.
2. For supplying 1000 Metal Tee Rail Posts, each seven feet long.

Bidders must quote a price per rod, delivered to County Equipment Building near Foxboro, with Federal Sales Tax included, but with Ontario Sales Tax to be quoted as an extra charge.

Bidders must state approximate time they can deliver in, after date of receiving an order.

It is not yet known how many gates will be required, so Bidders should quote on a delivered price per standard 14 ft. farm wire Gate, in the following quantities:

- (a) In lots of 0 to 24 (b) Lots of 25 and over.

Also quote corresponding figure for supplying Galvanized (14 ft.) Bar Gates and on Aluminum (14 ft.) Bar Gates.

A bidder may tender on Item 1 (Fence Wire and Gates) without quoting or Tendering on Item 2 (Metal Posts) if he so desires, and vice versa.

While it is the intention to purchase the fence wire and farm gates from one bidder the County does not bind itself to purchase all, or any, of the metal posts from whatever bidder is given the order to supply the fence wire and farm gates.

Lowest or any tender not necessarily accepted.

Rylstone United Church Women

Mrs. Ray Stewart was hostess to the Rylstone United Church Women on Wednesday afternoon, July 8th. There was an attendance of sixteen ladies, Mr. Apps, the minister, and four children.

Mrs. Wilfred Spencer, Vice-President, was in charge of the devotional part of the meeting and welcomed everyone, including the new minister and his wife, Mr. and Mrs. Gordon Apps. She also thanked the hostess for opening her home. Part of the hymn, "Glory Be To God the Father" was sung, followed by prayer by Mr. Apps.

The devotional period was conducted by Mrs. Spencer, the subject centering around "Creation." Short Scripture passages were read by Mrs. Ellis Jones, Mrs. Ray Stewart and Mrs. James Legge, with short prayers by Mrs. Spencer.

A letter of thanks was received for an overseas bale sent in the spring. A request for supplies and Christmas gifts for northern outposts was received. A special collection will be taken for this at the August meeting.

Mrs. Sarah McKenzie was present and thanked the ladies personally for calls, cards and gifts while in the hospital.

The roll call was answered by a Bible verse containing the words, "Create or Creation." Plans were started for catering to the Community Sale at Hoards in August.

As the ladies had been given the task of procuring a guest speaker for the Rylstone United Church Anniversary Service on September 13th, they took this opportunity to ask Mr. Apps, the new minister, if he would be the speaker. Mr. Apps thanked

them for the offer and signified his pleasure at being chosen. Arrangements are also being made for music from a neighbouring congregation.

Programme

Mrs. Will Rutherford was convener for the balance of the programme, put on by the young ladies of the Church as follows:

Poem, "God Who Toucheth Earth with Beauty," by Mrs. W. Rutherford; piano solo, "Waltz in A and B," by Sherry Spencer; Bible study on "Creation," by Mrs. Robt. Spencer, with Scripture verses read by her daughter, Lynne; piano solo, "Melody of Love," by Marilyn Stewart; reading, "Our Relationship to Others," by Margaret Melcklejohn; vocal trio, "Pray On," by Mrs. Robert Spencer and daughters Lynne and Sue. The meeting closed with the Mizpah Benediction.

The next meeting will be held at the home of Mrs. Fred McKeown in Spring Brook. Key word for roll call will be "harvest." Conveners will be Mrs. Thos. McKeown and Mrs. Ellis Jones. Refreshment committee will be Mrs. Will Rutherford and Mrs. Cecil Finch. Mrs. Ray Stewart will conduct the Bible study period.

4-H Silage Corn Club

The fourth meeting of the Hastings 4-H Silage Corn Club was held in the Agricultural Board Room of the Department of Agriculture, Stirling.

The topic of the evening was "Insects in Corn." Club leader Harvey Homan discussed the different types of insects and sprays used to eradicate them. Questions were asked by the members and the meeting was adjourned.

Eggleton UCW

The July meeting of Eggleton United Church Women was held on Thursday afternoon at the Church with 11 adults and 3 children present.

The President, Mrs. W. Harlow, opened with a poem. A prayer was given by Mrs. Bruce Stapley.

The selected Bible lesson was read responsively, after which the commentary was given by Mrs. Bert Reid. The Community Friendship Secretary reported on calls made on sick and cards sent out during the month. Mrs. B. Reid reported on finances of Church Treasury.

An invitation from Sidney Baptist Church was read inviting all to attend their special services to be held each Sunday evening during July and August at Bird's Beach, Oak Lake.

The August meeting will be held on the regular date at Eggleton Church with Mrs. Maurice Clancy and Miss Dianne Prest in charge of the programme.

The chapter, "The Bible — the Word of God," was well presented by Mrs. Raymond Chambers, followed by a short discussion period.

Mrs. Carl Reid spoke briefly on the Eskimos at Great Whale River and their sincere Christian attitude toward the Protestant Faith.

Mrs. Harlow welcomed all visitors present, and expressed thanks to Mrs. Chambers and Mrs. Reid and all others assisting.

15th Annual Hubble Reunion

Approximately sixty-five men, women and children, all descendants of the pioneer Nehemiah Hubble, and two visitors, attended the fifteenth annual Hubble reunion at Little Lake Beach near Brighton on Sunday, July 26th. The group enjoyed a delicious lunch in the shade of the trees and later in the afternoon a large number went swimming.

The President, Burton Hubble, announced the prizes as follows:

Oldest person in attendance — Sandford Hubble, Belleville, 83 years.
Youngest Child — Isobel Hubble, daughter of Mr. and Mrs. Burton Hubble, born in 1963.

Oldest Married Couple — Mr. and Mrs. Ross Hubble, Wooler, fifty-two years.

Youngest Married Couple — Mr. and Mrs. Burton Hubble, Sidney, 12 years.

Largest Family — A tie between Elton Hubble, Campbellford, and Clinton Hubble, Stockdale. Each recorded father, mother and five children in attendance.

The family who travelled farthest — Mr. and Mrs. Sidmer Demorest, of Marmora, over fifty miles.

One guest, Miss Stella Wellman, of Belleville, was extended greetings on her birthday anniversary.

Congratulations were extended to Mr. and Mrs. Russell Pyear, Belle-

ville, who were observing their fourteenth wedding anniversary.

One new member of the clan, Mr. Chas. Morton, of Harold, was welcomed at his first reunion.

Officers Elected

The following officers were elected for the year:

President — Mrs. Percy MacMullen, Stirling R.R. 3
Vice-President — Clifford Hubble, Frankford R.R. 3
Secretary-Treasurer — Mrs. Russell Pyear, Belleville
Corresponding Secretary — Mrs. Arthur Pyear, Frankford R.R. 3
Sports Committee — Sid Demorest and Burton Hubble

The 1965 reunion will be held the fourth Sunday in July at Zwick's Island, Belleville.

Mrs. Russell Pyear gave the financial report and she will forward cards of greeting to Mrs. Lorne Hubble, Cobourg, and to Edward Montgomery, Belleville.

Mrs. Arthur Pyear spoke briefly re the Hubble crest.

The incoming President extended a vote of thanks to the retiring President for his efforts in furthering the reunions.

Guests were in attendance from Marmora, Belleville, Campbellford, Wooler, Stockdale, Glen Ross, Carmel, Hastings, Foxboro, Stirling, Harold and Mount Pleasant.

History of Clan

The Historian, Mrs. Percy MacMullen, spoke briefly about the clan. She said Nehemiah Hubble came to Canada in 1784 from Ballygon, New York, and built a shack at Hubble Hill. That fall he returned to the United States and in 1785 he brought his wife the former Lucinda Welton and family to Hubble Hill at Mount Pleasant in Rawdon Township where they built a home in the wilderness and lived and died in that area. There are records of six members of this family: Nehemiah the second who married Polly Chard, Elijah Allan who married Fanny Chard, James who married Miss Covert, Reuben who married Miss Bedford, John and Peter.

There were folks representing the sixth, seventh and eighth generations of the family of Elijah, Allan and Fanny Chart at the reunion. These were the descendants of Big Myer, Peter, Reuben and Huldah.

Each family group is asked to prepare their own family tree and thus have the records as correct as possible. There are many places in the early records that are not complete and it is almost impossible to get the correct data.

Reports have been handed in by Mrs. Ross Hubble, of Wooler, and Clinton Hubble, Stockdale.

At the close of the afternoon each child received a ticket to purchase a treat at the canteen.

LEGION NOTES

Progress on the interior renovation of the Legion Hall has been steady throughout the past three weeks. The ceiling of the hall has been completed. Work on the two interior side walls has now reached the point where the finish is all that remains to be done. Work on the new lighting system should also be completed within a very short time.

Present indications are that the work should be completed by mid-August. Work parties at the hall will continue every Wednesday evening starting at 7 p.m. or as soon after as possible.

The Legion extends its congratulations to the Legion Pee Wee Softball Club who recently won the district league title. Comrade Bert Bastedo and Mr. Grant Montgomery who looked after the boys during the season are also to be congratulated. The Legion also extends its appreciation and congratulations to Spring Brook, who were runners-up and to Glen Ross and the Stirling club who made

it interesting all season long.

Comrade Major S. Fraser, a life member of our branch, donated a beautiful trophy four years ago for the league title. At the time, he stipulated that any club which could win it three years in succession would be given permanent possession. Last season, the Glen Ross team won it for the third straight time and Comrade Fraser presented them with the trophy as their permanent possession.

This year, despite the fact that Comrade Fraser is in hospital, he arranged for the purchase of a replacement trophy. This was the trophy won by the Legion-sponsored Pee Wees recently. It is a very beautiful trophy and is presently on display in the window of Patterson's store.

We feel sure that every one of Comrade Fraser's many friends will join with the youngsters of this area in expressing their sincere appreciation for his generous support and keen interest in the youngsters of his district. He has set a good example for us to follow.

ample for us to follow.

It is expected that Branch President Allan Lawes will be calling an Executive meeting in early August to consider plans for the fall program. Notice of such meeting will be made to all executive members in the near future.

Stirling Cubs Attend Camp

On July 19th Stirling Cubs went to their annual camp at Consecon Lake. Thirty-three boys attended.

The camp was under the leadership of Joe Irish, D.C., with Mrs. Irish, Mrs. B. Woodbeck, Mr. and Mrs. Carl Pitman and Allen Tanner.

On Sunday evening Capt. Thompson and Mrs. Thompson, with their two children and Mrs. Thompson's father, who is visiting from England, had dinner with the boys. At the campfire Capt. Thompson gave the boys a very interesting talk.

Monday evening Mr. Bill Strome, A.D.C., of Prince Edward, and Miss

D. Parks, Cub Leader, Picton, paid a visit to the camp and stayed for the campfire.

The weather was very hot but the boys worked at handicraft and did a lot of badge work. Twelve swimmers, 8 Observers, 7 Guides, 5 First Aid, 4 Artist and 1 Pet badge were passed during the week. Mrs. Don Williams came into camp early Friday to help pass some of the boys on badges.

Friday evening the boys' parents arrived to take part in the last campfire and to take the boys home.

This was one of the best camps Stirling has had. The boys were very good and willing to do the work in the camp.

There is one thing I would like to clear up. Some people have the idea that the leaders get paid to go to camp. The only pay they get is to see the satisfaction these boys get out of camping. Many of these boys would not have the opportunity if it were not for the leaders. Some gave up a week's holiday to take them to camp.

The leaders get up at 7 a.m. and are on the go until 10 or 11 o'clock each night planning the programme for next day. It is not only the work in camp they do but they are working at least two months prior to camp time getting things in shape.

So if some people think there is good money in this, next fall we will be looking for at least four more leaders, so come along and join the gang.

I would like to thank the many people outside the Scout movement who helped to make this camp a success.

Mr. and Mrs. George Scott and children, of Toronto, spent Sunday with his parents, Mr. and Mrs. Clarence Scott.

Mr. and Mrs. Robert H. Hoard and children spent the week-end with her parents, Mr. and Mrs. Charlie Tamlin. On Saturday they attended the wedding of her cousin, Miss Violet Owens and Gordon Murray in Woodville United Church.

Mr. and Mrs. George Johnston, of Berkeley, are holidaying with Mr. and Mrs. Herbert Smith and Kenneth. Mr. and Mrs. Percy MacMullen accompanied Mr. and Mrs. Sid Demorest, Herb, Betty and Tommy to the fifteenth Hubble reunion at a beach near Brighton on Sunday.

The Anson road was a very dusty place last week. The Township road grader spent the week working on the various hills and clouds of dust covered lawns, flowers and gardens, as well as seeping into the various homes in the area. This correspondent resides in the district and we wondered why those in authority would choose hot, dry summer days to work at a job of this kind.

Mrs. Donald Johnson and daughters recently attended a trousseau tea at the home of Mr. and Mrs. Bernard Hollinger, Foxboro. Mrs. Johnson was one of those who poured and her daughters served.

Mrs. Frank Fitzgerald, of Carrying Place, spent some time recently with Mr. John Holmes and they visited the funeral home in Madoc where their cousin, Newell Broad rested.

Clifford Hubble, Glen Ross, was in charge of the work at Hubble Hill Pioneer Cemetery last week.

Messrs. Kenneth Smith, Douglas Potts, Fred McAdam and Allan Wrightman, of Mount Pleasant, spent a couple of days at Wallaceburg owing to the sudden death of their school mate, Andrew Daniel Harris. Kenneth and Douglas were pallbearers at the funeral service on Monday morning.

Donnie Campbell, son of Mr. and Mrs. Douglas Campbell, had the misfortune to fracture his arm when he fell off his pony which he had been riding.

Mr. and Mrs. Clarence Scott, Jim, Janet and Randy, attended the wedding ceremony of their son, Wilmet Scott and Miss Nancy Yull at Bridge Street United Church Parsonage, Belleville, on Saturday, July 25th. Rev. H. M. Davis officiated. Mr. Geo. Scott, Toronto, was groomsmen for his brother. The reception followed at the home of the bride's parents, Mr. and Mrs. Norman Yull, Dundas Street, Belleville.

Miss Flossie Stewart, of Prescott: Mrs. Lucille Crawford and Miss Mary Flynn, Marmora, spent Friday with Mr. and Mrs. Blake Sharp and Bert. This was Miss Stewart's first visit to Mount Pleasant in forty years.

Mr. and Mrs. Mac Sharp went by chartered bus to the L.O.O.F. Senior Home at Barrie, Ontario, on Sunday.

Mr. Jim Johnson, Montreal, spent the week-end with his parents, Mr. and Mrs. Donald Johnson.

Mr. and Mrs. Blake Sharp and Bert recently entertained Mrs. Duncan McBeath and children, of Madoc; Miss Georgia Pitman and her brother, Jack Pitman, of Belleville, and Mr. Harry Mullett, Crookston.

Mr. and Mrs. Donald Johnson, Mr. Jim Johnson, Misses Pauline, Carolyn and Nancy Johnson attended the wedding and reception of the former's niece, Miss Marie Hollinger, Foxboro, and Mr. Douglas Kellar, Actinolite, in Foxboro United Church.

Hastings Junior Farmers Place Third In Field Day

Hastings County Junior Farmers were keen competitors in most events at the Quinte District Junior Farmer Field Day held at Morrow Park, Peterborough, Saturday, July 18th.

In the softball games, the girls' team was successful in their first game but, lost out in the second. However, it was during the track and field events in the afternoon where Hastings Juniors picked up sufficient points to place third out of eight counties represented.

Bill Vermilyea won the half mile race and placed second in the 100 yard dash. Alan Hitchon followed Bill in the 100 yard dash and placed second in the running broad jump. Elaine Mitchell placed third in the softball throw. In the boys' relay race, Hastings runners were easy winners, but they were disqualified for entering more events than the rules allowed.

At the evening square dance competition, Sidney Junior Farmers, with Beverly Clapp as caller, put on a fine display, although they were not winners. Congratulations to all Junior Farmers who took part at the Field Day and many thanks to their supporters.

Napanee, Lennox and Addington Centennial Program

One hundred years ago the united counties of Frontenac-Lennox and Addington split up, and the new county of Lennox and Addington became, instead of a long-cherished dream, a reality. The new county had to have a county town, and the village of Napanee was chosen, over its rivals Newburg, Bath and Tamworth. A town hall was built to accommodate the newly formed town council. All this was accomplished against the bitter opposition of a man who sometimes lost a battle but never a war: John Alexander Macdonald. Although he had once lived in Napanee, and had family connections there, he had become a confirmed Kingstonian, and on principle, as he was later to demonstrate when he achieved Confederation, he opposed separation into small administrative bodies.

The ONE HUNDRED BIRTHDAY celebrations have been more than a year in the planning. A 250 page history of the county, with profuse illustrations will be off the press in a few days. A centennial Association has carefully planned a programme of special events, August 1st to 8th, with a Centennial Ball preceding these days, the evening of July 31st, in the Napanee Armouries.

A Centennial Queen and eleven princesses are to be chosen to reign over the nightly pageant "Retrospect-

acle", and these are to be presented at the Centennial Ball. The Queen will be crowned at an early performance of the Retrospectacle.

Saturday, August 1st is home-coming day for former residents. Sunday is Religious Dedication Day, with, in the afternoon, unveiling of a plaque at the Allan Macpherson house.

Monday there will be a mammoth parade, with floats, old fashioned vehicles, horses and costumes at 10.00 a.m. In the afternoon there is a boat show at the government dock in Napanee and also Tamworth Firemen's parade.

Tuesday begins Old Fashioned Bargain Days, which go on all week in Napanee's business district. There are free bus tours at 10 a.m. Tuesday, Wednesday and Thursday, of historic sites of the Town. Special displays are on view all week at the arena, and puppet shows there for the children every afternoon at 2 and 3.

Wednesday is Youth Day, with a parade. An Antique Show begins at 10 a.m. at the Allan Macpherson house, with refreshments served on the grounds. This is also the day of special celebrations at Adolphustown, from early morning to evening. In Napanee there will be a Kiddies Historical and Pet Parade at 7.30 in the evening.

Thursday is Ladies' Day, planned by the Centennial Belles, who already have organized ladies of the county into fifty chapters. In the afternoon there will be a garden party and Old-Fashioned Show. The Antique Show continues.

Friday is Agricultural and Industry Day, with Open House at many plants.

Saturday is "Look to the Future" day. A time capsule ceremony will be conducted at noon.

Brothers of the Brush have been growing assorted beards and mustaches for months. They and Centennial Belles are holding Caravans each Friday night, with dozens of carloads driving along a route to be welcomed at villages and cross-roads of Lennox and Addington, and of neighbouring counties.

THE BIBLE TODAY

The Bell Telephone Company has recently issued a most interesting telephone directory. It is written in three languages. It is to serve the Northeastern Territories, which includes Labrador, Northern Quebec and Baffin Island. Serving such communities as Goose Bay, Northwest River, Nain, Fort Chimo, Frobisher Bay, Povungnituk and Rupert House, telephones are the modern means of communication.

French and English are to be expected. What is unusual is the Eskimo section. On the front cover are words which mean "People who live in Eskimo Country," written in the Eskimo syllabic script.

First devised by James Evans while

working with the Cree Indians of Manitoba in 1849, this script was invented to enable the Indian to read the gospel quickly. Spreading from one tribe to another and then to the Eskimos this script for Scriptures has been widely used over the Northern half of Canada.

For the Eskimos of the Eastern Arctic and Baffin Land the New Testament has been available in the syllabic script for many years now.

ONTARIO MILK BOARD APPROVES MODIFICATION OF FLUID MILK FORMULA

A recommendation made by the Formula Committee for fluid milk providing for modification of the components entering into the establishment of the formula price, has been approved by the Ontario Milk Industry Board, it was announced at Queen's Park with the recommendation to become effective immediately.

While the changes in the factors relating to the formula price will result in some difference in the monthly calculation, the Milk Industry Board emphasized that the current formula price will remain unchanged for the present time at \$5.29.

For some time the Formula Committee, in collaboration with representatives of the Ontario Whole Milk Producers' League and the Ontario Milk Distributors' Association, has been studying the components making up the formula in respect of the application of the formula in relation to current — and projected — market conditions in the fluid milk industry.

The Board points out that the formula, since its inception, has worked well and emphasized that the principles established in the original formula have not been changed.

An important consideration of the formula has been the recognition of the true demand for fluid milk and its ability to relate it to the formula price.

Previous factors which entered into the establishment of the formula price and which were intended to recognize consumer demand were average weekly earnings and the index of employment in Ontario.

It is now recognized that these factors, after a certain point, fail to indicate increased purchases of fluid milk. As a result these two factors have been replaced in calculating the formula by an index of fluid milk sales as a percentage of the total milk sales in Ontario.

The Board points out that when fluid milk sales in Ontario increase the relation to total sales an increase in the monthly calculation will result. Equally a drop in sales would result in a decrease being indicated.

The price of cheese, which previously made up some 10 per cent of the Formula calculation, has been dropped owing to the fact that the price of cheese has fluctuated widely in recent years. The formula, however, still provides for 20 per cent by weight of alternative uses of milk in the form of butter fat and condensed products.

It is felt that the original formula failed to recognize improved technology on farms producing milk.

The factor chosen to meet this situation is based on milk production per cow on a five-year moving average being used as an inverse index. A weight of 10 per cent is given this factor in calculating the revised formula.

The general wholesale price index for Canada and the price index number of commodities and services used by farmers remain in the formula with weights of 20 and 30 per cent as was formerly the case. These are considered the two most important factors reflecting the general economy with the result that important consideration is given them.

Following exhaustive study the Committee feels that the formula is

sufficiently elastic and that it contains sufficient elements of variation to permit the price to move in keeping with existing conditions.

In announcing the acceptance of the recommendation that these changes in the formula be made, the Milk Industry Board commended the Formula Committee for the intensive study which preceded its recommendations.

OF MANY THINGS

(By Ambrose Hills)

THE PUMP WORKS!

"He did it again!" That's what our youngsters are saying about me. I got our centrifugal pump working. That's a major victory for a man with my limited technological ability.

That old pump of ours has been a conversation piece for a number of summers. Usually, my first efforts to get it set up and working would draw a score of neighbours to the scene, all as ignorant as I, and all eager to tell me which thingamabob to adjust or which screw to loosen. By the time it was over, I felt all my screws were loose.

Lately, I've been cheating the neighbours. I get up at dawn and get the job done alone. This year — I believe to everyone's secret regret — I set it up, primed it, and it worked first time. The family scarcely believes it yet, although that water is pushing out like a little Niagara.

The secret, I believe (see how fast one success breeds an expert!) lies in tight connections. If there's no leakage, that pump will push waters as far as you want. Let just a mite of air leak, though, and the nozzle will stay as dry as a WCTU lecture no matter how hard the motor works.

I was tempted, as always, to draw a moral from all this. Might make a good lecture for the kids: keep all connections tight, no waste, and a reasonable amount of effort will push out some mighty fine results. Just a little bit of leaking, at the wrong time — a missed class in mathematics for example — and results are as poor as a leaky pump.

I didn't deliver the lecture. After all, that old pump has sometimes stopped working in mid-season for no reason at all. And crow isn't my favourite food.

NEW POTATOES — A SUMMER TREAT

Tender new potatoes cooked in their paper-thin jackets are a welcome addition to summer meals. Fresh from local market gardens, new potatoes are now plentiful in this area. They are smoother in texture and more delicate in flavour than the more mature potatoes. This very difference makes them good companions to the fresh vegetables offered in abundance at this time of year.

Care should be taken when preparing new potatoes for your table. They are best cooked unpeeled. Brush gently under cold running water. Cook in enough boiling salted water to one half way up the potatoes in a covered pan until just tender. Remove the skins if desired and serve immediately. This method will ensure best retention of original flavour and food value.

The most popular way to serve new potatoes is whole, smothered in butter. A dash of paprika or a sprinkle of chopped parsley adds colour and interest. For a change try serving them plain and pass a bowl of sour cream generously sprinkled with chopped chives.

New potatoes and green peas are a favourite in most families. If you grow your own mint you probably know how delicious "minted" new potatoes and peas taste. If you have not tried this flavour combination, just add a few sprigs of fresh mint to the cooking water. Combine the cooked minted potato with cooked fresh peas and heat together in cream or butter — simply delicious!

The home economists of the Consumer Section, Canada Department of Agriculture have two tested recipes for new potatoes. They think you'll like them. Why not try them soon?

Potatoes "Fondantes"

"A nutritious combination of new potatoes creamed in milk"

6 small potatoes
1/2 teaspoon salt
1/2 teaspoon pepper
1/2 cup milk (approximately)
Boil potatoes in their jackets for 10 minutes, then peel and place in a saucepan just large enough to make one layer. Sprinkle with salt and pepper, then add milk so that it comes half way up potatoes. Cover and cook over low heat until potatoes are tender and milk is absorbed, about 35 minutes. Turn potatoes once during cooking. Three servings. To vary, add chopped parsley or chopped green onion just before serving.

Crisp New Potatoes

"Crunchy-coated mouthfuls of tend-

er new potatoes baked to a golden brown in butter."

12 small new potatoes
3 tablespoons melted butter
3 tablespoons flour
1 1/2 teaspoons salt
3/4 teaspoon pepper
1/2 teaspoon paprika
Scrape and wash new potatoes. Roll in butter, then in seasoned flour. Place in a greased shallow baking dish and bake in a hot oven (425 deg. F.) until crisp and golden brown, 35 to 40 minutes. Six servings.

Note — If potatoes are large or time is short, parboil potatoes for 5 minutes in 1 cup water.

cheques and cash gifts. The gifts included a transistor radio from a nephew in Vancouver, B.C.; an occasional chair in gold brocade with magazine rack from the Mount Pleasant community.

Francis E. (Frank) Hutchinson is a son of the late James Hutchinson and his wife, Ellen Marshall, of Mariposa, Ont. Hazel T. McMullen is the youngest daughter of the late Alex McMullen and his wife, Elizabeth Burke. They were quietly married on July 21st, 1914, in Rawdon Methodist Parsonage by the Rev. J. A. Connell. They left immediately by train for Chicago and Plainfield, Illinois, to visit relatives.

Mrs. Hutchinson was born in the home where she now resides. She received her education at the Allan Public School, S.S. No. 3, Rawdon, Stirling High School, Madoc Model School, Peterborough Normal School and O.A.C. Guelph. She taught school at Vardy, Red School and Pancake Hill, Riverside, Plainfield and Glen Ross.

Mr. Hutchinson was educated at Mariposa, Ont., and started on the railroad in 1904 as a summer section hand. From 1907 to 1911 he served as an assistant agent and then went west to work for the C.P.R.

He returned to Omemee to work for the G.T.R. and in 1912 he began duties at Anson and served there until 1939 when the station was closed. From there he served as Scarborough and Lansdowne, going to Detlor in 1940. He served at this point until 1955 when he was retired and pensioned.

During the years Frank has served as an Elder at Detlor and at Mount Pleasant. In 1955 the Hutchinsons took up residence in the old home at Anson and both are valued members of Mount Pleasant Church.

On Tuesday, the exact wedding date, the guests were Mr. and Mrs.

Entertained At
London

The Hutchinsons left on Friday to spend a few days with Mr. Hutchinson's sister, Mrs. Roy Thomas and Mr. Thomas, London.

On Sunday morning they attended a special church service in London and a dinner party followed when ten of Frank's brothers and sisters were guests of Mr. and Mrs. Laird Thomas for dinner at noon. Mrs. Hutchinson served her anniversary cake at this meal.

At 5.30 p.m. the Thomas family entertained thirty-four relatives of Mr. Hutchinson's to a smorgasbord supper on their spacious lawn. Mrs. Thomas provided a white anniversary cake with a pink fruit centre and special golden ring for this auspicious occasion. A wrapped piece of the fruit cake was presented to each guest as a memento of the occasion. The evening was spent in reminiscing.

Mr. and Mrs. Hutchinson arrived home by train Tuesday afternoon, July 28th at the close of a very happy holiday. Their many friends extend best wishes and congratulations on this happy occasion.
